Guidelines overview

This document is the guideline for Doctoral Students that want to apply for the UP Doctoral Research Bursary through the Internal Grant online application system that is available on the UP Student Portal via the Research Grants and Ethics portlet.

It is the responsibility of the applicant to ensure that the required approval for the online bursary application is obtained from the supervisor and the Dean's office via the online system.

Prerequisites

- The Postgraduate student must already have completed an application for admission to study at the University of Pretoria via the Online Application system that is available on the UP Web under Study > Apply.
- Must have a project research title and the outline for the intended research for the PhD degree.
- The applicant must already have identified a Supervisor.
- Must have applied for other external funding sources and proof thereof.
- Must have copies of past academic transcripts.
- Must have a copy of a South African ID or passport (in case of international student)
- Must have proof confirming that they are not employed for more than 12 hours per week at commencement of their Doctoral studies. If they are not employed attach an affidavit as confirmation of unemployment.

Objectives

- Read the UP Doctoral research Bursary conditions to ensure that you meet the criteria and adhere to the criteria if successful.
- Complete an online application for the UP Doctoral Research Bursary.
- Attach the mandatory documents to support the online bursary application.
- Submit the Online Bursary Application.

1. Access the Internal Grants (UP Funded)

1. Log onto your UP student portal
2. Navigate to the Research Grants & Ethics portlet

3. Click on Research Grants & Ethics link

[Research Grants & Ethics](#)

The Research Grants & Ethics page will open.

4. Click on Internal Grants (UP Funded) tile

The Online research Funding application system will open.

2. Complete your Online Application

There are two options available:

My research grant applications – if you already submitted a grant application.

Request for research funding – if you want to complete and submit a request for research funding.

1. Click on “Request for Research Funding” link

2. The Request research funding screen will appear.

Please take note of the following

Before starting an application

- Please familiarise yourself with the requirements under Guidelines marked () on the system.
- DO NOT start an application to see what is required, read the **Guidelines. (UP DOCTORAL RESEARCH BURSARY CONDITIONS, to ensure that you understand the conditions)**

Please note:

- Funding Applications that the applicant did not submit will not be considered for funding.
- The applicant must click the '**Submit**' button after the declaration and receive confirmation that the application was submitted successfully.

Application approval:

- It is the responsibility of the applicant to ensure that the application has been approved.
- Monitor the application approval via the workflow process on the system.

Request research funding

Research funding

Before starting an application

- Please familiarise yourself with the requirements under Guidelines marked () on the system.
- DO NOT start an application to see what is required, read the Guidelines.

Please note

- Funding Applications that are not submitted by the applicant will not be considered for funding.
- The applicant must click the 'Submit' button after the declaration and receive confirmation that the application was submitted successfully.
- It is the responsibility of the Applicant to consult with the Faculty for the Faculty internal closing date.
- The Faculty closing date is always before the closing date indicated on the system in the "Date Closed" column. The Faculty will not accept applications after the Faculty closing date.

Application approval:

- It is the responsibility of the applicant to ensure that the application has been approved.
- The approval can be monitored via the work flow process on the system.

Research funding source						
	Guidelines	Date open	Date Closed	Year	Round No	
 Doctoral Research Bursary		09/19/2019	10/30/2019	2020		1
 P.G Student Study Abroad		09/02/2019	02/21/2020	2020		1
 Research Development Programme						
 Staff Travel Abroad		09/02/2019	02/21/2020	2020		1
 VP Congress Funding		07/01/2019	09/23/2019	2019		3
 Visiting Professor Programme		01/01/2019	12/31/2019	2019		1

Continue

- On the Request research funding page select the **Research Funding Source: Doctoral Research Bursary** and continue to the next page.
Commence with the application
- Complete the Research Funding Application – there are 6 steps.

Personal	Registration Details	Research data	External Funding	Attachments	Declaration
-----------------	----------------------	---------------	------------------	-------------	-------------

Personal – Step 1 of 6 (Verify your personal information)

Personal details			
Title	Ms		
First Name			
Middle Name

Declaration – Step 6 of 6 (Declaration by the applicant that the information provided is correct.

Tick the **‘I hereby certify’** box & click on the “Electronic Certification’ button)

Declaration by applicant

Declaration by applicant

If a Student fails to comply with any of the conditions of the UP Doctoral Research Bursary award, all the years the bursary was granted will be cancelled and the bursary values will be debited to the student account.

The conditions set out in the student enrollment contract shall apply to the amounts debited to the student account in items of this bursary.

- I, the undersigned declare that the information supplied in this bursary application is complete and correct. I have studied the conditions to this bursary and agree to the conditions if I am awarded this bursary.

5. **Submit** the application.

Ensure that you click on the [Submit](#) button to complete your application. The **‘Confirmation’** must appear to confirm that your request **has been submitted**.

Confirmation

Your request has been submitted for approval

The request for research funding will enter the workflow process; this process indicates where your application is for approval.

Applicants are responsible to follow up on approvals by the supervisors and the Dean’s office.

PLEASE NOTE:

If you are unable to complete the application click on the [Save for Later](#) button and then [Exit](#) the funding request.

Go to section 3, to see how you can access your application again to complete and submit.

3. How to check your application status and progress

1. Log onto UP student portal
2. Navigate to the Research Grants & Ethics portlet
3. Click on Research Grants & Ethics link
The Research Grants & Ethics page will open.
4. Click on Internal Grants (UP Funded) tile
5. Click on “My research grant applications” link

Your research grant application will appear.

[My research grant applications](#)

Request number	Actions	Initial request no	Research fund type	Type	Application Year for Renewable Grants	Research funding status	Call Year	Round No	Awarded amount
422	▼ Actions		Doctoral Research Bursary	New Request	Year 1	Pending approval	2020	1	

[Show Deleted Application](#) [Hide Deleted Applications](#)

Click on the ‘Actions’ link next to your Doctoral Research Bursary Request.

Three Options are available:

Research request:

- To view your Research application request that you’ve already submitted.
- To open your Research application request that you’ve started and [Save for Later](#), complete and submit the application.

Workflow progress:

- View the approval progress of your application.
- See the comments of the individuals responsible for approving your application.

Delete Application:

- Delete your application if you no longer wish to apply or if you accidentally started a Research application request.
