

Madibaz given a lesson by Tuks

Tuks continued their resurgence and handed out a netball lesson to the Madibaz at the Varsity Netball batch at the Coetzburg Indoor Centre on Monday night, winning 67-39.

The women from Port Elizabeth, who had recorded an impressive string of victories leading up to this match, had no answer for the pace and power from Pretoria.

Tuks scored first and while the Madibaz equalised, it was one-way traffic for a few minutes, with Tuks leading 14-7.

The Madibaz managed to score a few goals to make it 14-10 but Tuks had the last say of the quarter, sinking a goal to lead 15-10.

The second quarter saw Tuks continue to keep the scoreboard ticking over and after using the power play well they were cruising at 33-18, before ending the half with a 36-19 lead.

Despite the Madibaz being the first to score after the break, the women from Pretoria were not in a charitable

mood and another power play saw them extend their lead to 18 goals.

The bonus point was wrapped up at 50-27 and coach Jenny van Dyk would be impressed that her charges played to the final whistle.

The Madibaz will have to quickly regroup ahead of their next match.
