STARRY STARRY NIGHT

THE HOUSE MAGS FORMAL DINNER

The 5th of August 2023 was such a Mags year highlight.
It was our formal house dinner!

The day had finally come where all the ideas on the drawing board were brought to life. Dancing the night away with my sisters was everything for me! You ladies sure do know how to dance!

People enjoyed so much they didn't want to leave when the bus arrived. It was a lot of hard work, but the smiles and core memories created that night made it worthwhile! When I look back at all the photographs, I see faces filled with pride and joy.

These are the moments we live for! MAVAVM - My Alles Vir Altyd Vir Mags. Give your all to Mags and she will surely give back to you!

OVER & OUT

Our dearest HC of 2022/2023 term has ended and we can not thank them enough for serving the House to the best of their abilities, with the utmost dedication, passion and love

As representatives of House Mags, they truly inspired everyone around them by being authentic Mags Ladies and putting in all their blood, sweat and tears, especially behind the scenes, to keep House Mags one of the top ladies residences at UP.

Thank you 

A NEW TERM

Dearest Mags ladies,

I am so excited to serve you for the term of 2023 to 2024. I first of all want to thank you for giving me the opportunity to serve in this position as Chairperson and to serve House Mags as a whole. I would also like to congratulate every new HC member and wish them the best of luck for the new term.

I hope you are as excited as I am for the upcoming year. There are so many fun activities and festivities that we are planning for you, and we cannot wait to share every moment with you. A lot of exciting things awaits Mags. As we always say- when you give your everything to Mags, she will give everything back to you.

On a more serious note, I know that exams are around the corner and that we are all stressed, but I want to remind you that you can get through this. Remember to share a smile with everyone you walk past since your smile might just end up changing someone else's entire day into something more positive.

I would also like to remind you that you are not alone, and that there are various resources available to help you get through any situation you are facing. Just as our theme for the upcoming year is UNIFICATION, I would like to leave you with this quote from Ryunosuke Satoro: "Individually, we are one drop. Together, we are an ocean." The best of luck for your exam preparations, **YOU CAN DO THIS !**

Lots of Pink love
Megan

Loyal Pink Alumnus

Hello Magrietjie,

So 15 years after being a Spikkel, I finally coloured my hair pink!

Estie (Spikkel in 2008)

One of our Alumni reached out to us and told us she dyed her hair Pink, due to missing the Pink Palace.

Pink is not just a color, it's a lifestyle.

never dies out"*

We believe in your abilities and know that you have prepared well. Stay focused, stay confident, and give it your best. You've got this!
