MEET OUT EXTENDED HR TEAM

We are pleased to announce that Mr. Sakkie van Greunen (on the right) and Morné Bester (on the left) will be joining us this year. Mr. Sakkie van Greunen will be acting as our team mentor and Morné Bester will stand as the liaison between the students and the department. We are looking forward to this new partnership and all the great opportunities that will come from this.

ORIENTATION WEEK – 27 JANUARY 2020 – 31 JANUARY 2020

The University of Pretoria's Orientation Week commenced on the 27th of January 2020 and concluded on the 31st of January 2020. It signalled the start of academic activity on the various UP campuses, the Faculty of Economic and Management Sciences (EMS) received a special cohort of first-year students. The 2020 intake joins UP in the year that the Faculty of EMS celebrates its 100-year anniversary. Orientation week allows first year students to familiarize themselves with the university's various campuses, learn how to compile their timetables for their respective modules and are introduced to their lecturers. The first years were also provided with a variety of speeches and talks about relevant topics such as security on campus and how to FLY at UP. The HRTuks team had great fun meeting the first years and engaged in meaningful conversations about student life and how to make the most of their Human Resource Management degrees.

RAG 2020

The Annual RAG project was done in collaboration with Health House. We decided to make jewelry from reusable materials. The team went on a mission into the social hub of Hatfield to collect old bottle caps to be used. Together we then made over 150 earrings from recycled materials.

Every member contributed heavily to the project and we enjoyed every single second of it. Not only for testing our creativity but also realizing that the hard work put in will contribute to the upliftment of less - fortunate communities.

VALENTINE'S DAY PANCAKE SALE

The Valentine's Day Pancake sale was a huge success! We sold Nutella and Cinnamon and Sugar pancakes! It was tons of fun and most definitely kept the HR members on our feet the whole time! Even though there were a few mishaps, next time, we're going to do even better and make even more pancakes! The profit will be donated to the reusable pads drive hosted by Hester. Stay tuned for more exciting and yummy sales on campus!
