### Calculator Raffle

This took place in the beginning of the semester where Bookit sponsored 5 financial calculators. First year students had the opportunity to enter this raffle by filling in a google form which was provided via ClickUp. Winners were randomly selected and were announced on the 4th of March.

### The PWC first year event

Five weeks into the first quarter on the 24th of March the PWC first year event was held at Alders Café. The students came in numbers looking elegant as ever. Here first year students got the opportunity to learn more about the field they are going into. They also got to learn more about the PWC firm. This was a very insightful event and great opportunity to meet new people.

### The Peas in a Pod Easter Egg Hunt

This was an outreach event held on the 30th of April 2022. The HouseCA team took Easter eggs that were raised through the Easter Egg Drive they had from the 21st -29th April 2022 to Peas in a Pod. Peas in a Pod is a home for girls who have been victims of abuse. The team was able to successfully deliver the eggs and some lunch for the girls. Thank you to everyone who donated as they have helped to make this event a success.

### The Running Challenge

From the 21st -26th of April HouseCA held its virtual running challenge. This was to get students up and running for the second quarter. This challenge had 3 different categories: 2km, 5km and >5km. To further entice students to participate Bookit sponsored our prizes for the winners in each category. The prizes were Bookit textbook vouchers and their values were as follows: R1250(>5km), R750(5km), and R500(2km). Congratulations to all our winners and thanks to Bookit for sponsoring the prizes.

Charity Tuesday's

Every Tuesday the outreach portfolio seeks to help different charity organisations by posting about them on our Instagram page. The purpose of this initiative is to expose the organisations to more people who would help them where they need assistance. This also helps people who would like to give but do not know of any organisation or how to go about doing that. If you have any organisation in mind that you would like us to post, please inform us we will gladly post it.

**TLF Lerato House**

"Lerato House was established in 1998 to provide a transitional residential facility for young girls at-risk in the city centre. We seek to restore and empower young girls to take up their rightful place in society, or within their families."

**Get Involved**

- VOLUNTEER
- OFFER FINANCIAL SUPPORT
- DONATE: TOYS, CLOTHES, KITCHENWARE
