**Inferno week**

As Luminites came back from their well-deserved mid-term rest our Infernos walked straight into Luminous' very first Inferno week! Inferno week began with our semi/senior guardian handing out gifts to the members and also a fantastic games night! On Wednesday we headed into a great workshop for future readiness by learning how to write a stellar CV and cover letter as well as learning certain key interview skills that will come in handy very soon for some of our Senior Infernos. Luminous then ended off the exciting week with a fun scavenger hunt all over Hatfield! The theme of the night was "Adventure Time" and our infernos came dressed for success in their fun and quirky costumes to enjoy an enjoyable night filled with clues, tricksters and weird and wonderful activities!

We want to thank our fabulous and ever ready Inferno Guardian Ms Lusyomo-Namakau Simatele for working tirelessly to make each and every event a spectacular occasion! Three claps to Ms Lu!

## Transformation workshop: Let's discuss gender identity and violence within the South African Context

Luminous always strives to encourage our members to embrace diversity and learn about new constructs, thus we aim to always have as many Transformation workshops as possible! Our gender workshop in April gave all Lumintes and friends a safe space to talk about the hard topic of Gender identity and violence. Our special guest lecturer Ms Lusyomo-Namakau Simatele gave us much to think about and our Transformation EC Ms Dintho-Tsohle Khoarai challenged our views on Toxic Masculinity, the #MeToo movement and the #MenAreTrash movement.

All in all, it was a super insightful evening that brought forth many new views and important information that every Luminite can ponder on.

To every Luminite; Never lose your passion to learn about new things and always challenge the norm!

Stay Bright Luminites!

**House Camp**

SAY IT WITH US: HOUSE CAMP!!!

House camp is our yearly break away from the hustle and bustle of city life to go and enjoy a weekend with each other which includes many fun activities, getting to know some new friends and also to just enjoy the natural surroundings around us. This year house camp was held at Tswana Lodge and was such a major success. With amazing food brought to us by our very own Chef Ms Lesedi Shabangu and fun board games that had us rolling around and even squeeling this weekend could not have gotten better!

A major shoutout to Ms Shabangu for her fantastic work on planning our camp and also a great thank you to our Luminites who joined us on this amazing experience.
