

14 February 2019:

Ahh the month of Love! Cupid properly soared at Luminous this Valentines month. With Valentines sports tournaments to a fun speed dating social, Luminous has been feeling the lovin'. We want to thank every Luminite who took part in all the sports and the social.

March 2019:

The month of culture! Luminous was extremely excited to partake in all the culture events the University had to offer. From Nothing but Vernac to Expression on the 7th of March to the Debating tournament on the 15th to the 17th of March. The two events brought out all the culture vultures in the house and their absolute talent won Luminous 3 awards and we were the Overall winners at the Expression event!

Stay Bright Luminites!
