## Culture week

Our very first Culture Week has arrived!!!

Luminous was so excited to announce that it will be having a culture week which included a poetry night, a talent show and as well as a 'dress like your favourite art piece' day! We started Culture week with an amazing poetry night where Luminites came out to wow the crowds with some spoken words. From poetry to art, we then had a 'dress like your favourite art piece' day where our Luminites came to campus dressed as a piece of art... Yes, You read that right, A PIECE OF ART! We saw an androgynous Frida Kahlo look, A van Gogh painting and even a Japanese flag! As shockingly amazing as these dress ups were, we had an even more amazing Talent Show on the Thursday night! With a wide range of talents from singing and dancing acts to poetry readings and guitar sessions, we had a beautiful night under the stars!

A big thank you to our Internal Culture EC Ms Tilize van Deventer for all her hard work and for making sure that our very first culture week was such a massive success!

## For the month of May:

Hello Luminite, here's just a quick update on what's happening in the house this month:

First off, we are running two RAG projects namely a blanket project where you can donate a blanket to Luminous which we will then distribute to various animal shelters so that our little furry friends have a little heat this winter. We will also have a hope hamper project where food will be collected and distributed amongst our students in need.

Secondly, Our UP A Capella team and our football teams are really hard at work gearing up for the second semester and all its competitions that it will be bringing! We are super proud of every Luminite partaking in these events and we would like to inspire them to go for gold because each and every one of them are born for great things!

Lastly, but certainly not the least important; **EC nominations are now open!** From the 17<sup>th</sup> of May till the 17<sup>th</sup> of June you can grab your EC nominations form in our office. Being an EC for Day House Luminous is such an amazing achievement and honour, so don't miss your chance to become an Executive Committee member today!
