# About University of Pretoria

## Welcome

The University of Pretoria (UP) is pleased to welcome you to its hometown, Pretoria, the Jacaranda City. We believe that your participation in academic activities at UP will prove to be a significant contribution to the realisation of our vision. In an attempt to make your stay in Pretoria a memorable one, the Department of Residence Affairs and Accommodation (TuksRes) brings you this Guest Accommodation Guide.

### About the University

UP was established in 1908 and currently has more than 50 000 students. It has become one of the leading higher education institutions in Africa and the world.

### Vision

The vision of UP is to be a leading research-intensive university in Africa, recognised internationally for its quality, relevance and impact, developing people, creating knowledge and making a difference locally and globally.

### Mission

In pursuing recognition and excellence in its core functions of research, teaching and learning, as well as integrating engagement with society and communities into these, UP will use quality, relevance, diversity and sustainability as its navigational markers.

### TuksRes: Legaegae – Real home

TuksRes is committed to providing its guests not only with a bed, but also with a chance to engage with a culturally diverse student community. Its guest accommodation facilities support a culture of learning by providing comfortable accommodation. Through its guest accommodation units, TuksRes seeks to provide its guests with a home away from home while they are engaging in their academic activities in Pretoria.

A wide range of short-term self-catering accommodation is available for VIP guests, postdoctoral fellows, visiting academics, exchange students and elective students of the University. The accommodation is situated within walking distance of the University's campuses.

The Guest Accommodation Guide provides an outline of the types of guest accommodation available, as well as the services and amenities offered at each facility. A limited number of places are available. It is therefore essential to reserve accommodation well in advance of your trip.

## UP CAMPUSES

UP's academic activities take place across six campuses: Hatfield (main campus), Hillcrest (sports campus), Groenkloof (education campus), Prinshof (health sciences campus), Onderstepoort (veterinary science campus) and Mamelodi (foundation programme campus). Guest accommodation is available at all the campuses, with the exception of Mamelodi Campus.

### Hatfield

The suburb of Hatfield is known as the student hub of Pretoria. The reason for this is that UP's Hatfield Campus houses the majority of academic activities, and there are always exciting events that take place in the area, specifically events focused on students. RAG is one such an example. In addition to this, the area is home to restaurants, shopping centres, medical centres, embassies, the University's sports fields and gym facilities, as well as an active nightlife. Hatfield is also close to some of the gems of the Jacaranda City, including the Union Buildings, Freedom Park, the Voortrekker Monument, the Pretoria Art Museum and Loftus Versveld stadium.

### Groenkloof

UP's Groenkloof Campus is located in the tranquil Groenkloof area, and is famous for its close proximity to the Groenkloof Nature Reserve. This 600 hectare piece of land was the first game sanctuary in Africa. Visitors can participate in bicycle, hiking and 4x4 routes, as well as self-driven game drives. Groenkloof Campus is close to Brooklyn Mall, as well as a range of shopping centres, private hospitals and independent schools.

### Riviera

Riviera is one of Pretoria's oldest neighbourhoods. It is famous for its large trees, its parks and its peaceful surroundings. It is also in close proximity to the Department of International Relations and the Steve Biko Academic Hospital, which hosts the University's Faculty of Health Sciences. The "Moot", as the area is fondly known, is home to a number of interesting restaurants and shops, most of these set off the beaten track and only able to accommodate a small number of visitors at a time. This area is also home to an antique route, which can be followed through the adjacent neighbourhoods.

### Onderstepoort

In Pretoria, the word "Onderstepoort" is synonymous with veterinary science. The Onderstepoort Campus hosts the University's Faculty of Veterinary Science, which is the only one of its kind in South Africa. People from all over Pretoria bring their sick or injured pets to the Onderstepoort Veterinary Academic Hospital, where they are attended to by caring veterinarians and veterinary nurses. Onderstepoort is situated close to the Wonderboom Junction shopping centre, as well as the Wonderboom Airport, where many interesting small and medium planes are housed. A public viewing area is accessible from the restaurant in the airport.

Guests typically travel to OR Tambo International Airport, which is located some 55 km (40 minutes' drive) from Hatfield Campus. Guests are required to make their own shuttle arrangements to the Guest Accommodation Office at 1134 South Street for the collection of keys. Guest staying at Hippocrates and Onderstepoort Campus can travel there directly for on-site collection of keys.

A complimentary bus service is available for transportation between UP's campuses.

Hatfield is also home to the Hatfield Gautrain station and the A Re Yeng stop at Loftus Versveld. Please visit the respective websites of these services for schedules and bookings.

Uber services are typically available from your accommodation, but these services are not readily accessible from public train stations.

UP's campuses offer Wi-Fi to visitors in most open and indoor student communal areas. These areas are indicated by signs. Please refer to <http://www.up.ac.za/up-wireless-network>.

Ethernet is available in the guest accommodation units.
