

## PAYMENTS WITH FLYWIRE

The University of Pretoria has partnered with Flywire to offer a secure way for international students to make tuition fee payments from their home country. During this global pandemic, we understand the importance of being able to pay safely online from your home without the need to travel to a bank.

### Why use Flywire?

Flywire allows you to pay securely from any country and any bank, usually in your own currency. You can pay via bank transfer, card payment or online options. By using Flywire, you will save money on bank fees and poor exchange rates. You will also receive e-mail and text updates on your payment status and you can create your own Flywire account to track your payment online 24/7. Throughout the process, Flywire's multilingual [customer support](#) can help you with any occurring questions.
