The four-year Bachelor of Science and five-year Bachelor of Science in Agriculture programmes have slightly lower minimum admission requirements. These programmes are designed for students who, due to exceptional circumstances, may benefit from additional academic support. The programmes provide students the opportunity to pursue a career in several specialisations. For programme and career information, consult the corresponding three-year Bachelor of Science and four-year Bachelor of Sciences in Agriculture information. Applications are considered up to 30 June and in a potential second round in August/September.
