GENERAL INFORMATION

The regulations and information contained in this publication apply to students enrolled for distance education programmes.

Admission

Any person, who wishes to register at the University for the first time, or after an interruption of studies, should apply or reapply for admission. Application for admission to all programmes closes on 30 September, except where it is indicated differently. Students for distance education may apply for admission at any time during the year. However, they must apply before 1 September to write examination in April of the following year, or before 1 March to write examination in October of the same year. No late registrations will be accepted.

Selection

A selection procedure takes place prior to admission to:

- All undergraduate programmes (including certificate programmes); and
- All BEd(Hons), (full-time) master's and doctoral programmes.

Medium of instruction

In conducting its business, the University uses two official languages, namely Afrikaans and English. In distance education the learning materials and programme correspondence are only available in English. A student may, however, write examination and submit assignments in either Afrikaans or English. Contact sessions will only be conducted in English, but students may ask questions in Afrikaans or English. In respect of administrative and other services, a student has the right to choose whether the University should communicate with him or her in Afrikaans or English.

Bursaries and loans

Particulars of bursaries and loans are available on request. Distance education students may apply for an Edu-Loan to cover the cost of their studies.

Accommodation

It is a student's own responsibility to arrange for his/her own transport, accommodation and food during contact sessions and examinations.

Prescribed books

The complete content of each programme is contained in the learning materials that students receive. It is not necessary to buy any additional textbooks. Extracts from referenced textbooks are provided with the learning materials. Students also receive envelopes, assignment covers and writing pads to use when submitting their assignments.

Amendment of regulations and fees

The University retains the right to amend the regulations and to change module fees without prior notification.

Please note: The fees advertised and thus levied in respect of a module or study programme presentation represent a combination of the costs associated with the formal services rendered (for example lectures, practicals, access to laboratories, consumables used in laboratories, etc) as well as associated indirect overheads such as the provision of library and recreation facilities, security and cleaning services, electricity and water

supply, etc. Therefore the fees in respect of a module or study programme presentation cannot simply be reconciled with the visible services that are rendered in respect of such module or study programme.

DEFINITION OF TERMS

Please note: The following terms are generally used in all faculties.

academic year: the duration of the academic year as determined by the University Council.

certificate of satisfactory preparation: satisfactory preparation also implies satisfactory attendance of practical classes and clinical work.

core module: a module that is essential for a particular programme or package.

credit: a value unit (credit) accredited to every module, which represents the complexity and amount of work needed for the module.

curriculum: a series of modules grouped together from different subjects over a specified period of time and in a certain sequence according to the regulations.

elective module: a module that forms part of a package and which can be selected on an elective basis, with the proviso that enough credits are obtained on the specific year level, as required by the relevant degree or diploma.

examination mark: the mark awarded to a student in a module on the basis of an examination in a paper/papers, including practical and clinical examinations, where applicable.

final mark: the mark calculated on the basis of the semester/year mark and the examination mark awarded to a student in a module, using a formula which is determined from time to time by means of regulations for every module, with the proviso that should no semester/ year mark be required in a module, the examination mark serves as the final mark.

fundamental module: a module that serves as the academic basis of the learning activities for a particular programmes or package.

learning hours: the notional number of hours a student should spend to master the learning content of a particular module or programme. The total number of learning hours for a module consists of the time needed for lectures, practical, self-study and any other activity required by the training programme. Learning hours for modules are calculated on the basis of 40 working hours per week x 28 weeks = 1120 + 80 additional hours for evaluation = 1200. For undergraduate modules, the total number of learning hours per module is calculated using the formula: number of credits (per module) x 10.

module: an independent, defined learning unit, designed to result in a specific set of learning outcomes, and which is a component of a programme.

package: a group of modules, which are connected, and share a particular focus and which are taken by students as an area of specialisation within a programme.

package coordinator: the person responsible for organising, compiling and teaching of, as well as guidance with regard to a particular package.

programme manager: the person responsible for the overhead management, organisation and compiling of a particular programme, with the packages that make up the programme.

regulation for admission: a regulation compiled by the dean concerning the admission of students to a specific school, and which includes a provision regarding the selection process.

subject: a demarcated field of study of which one course or more may be chosen for a degree.

syllabus: summary of the content of a module.

weighted average: the weighted average is composed of the marks of the various

modules, weighted with the credits of each module as a fraction of the total number of credits for the semester or year.

year module: a module that extends over one year.

REGULATIONS AND CURRICULA

The rules for degrees and certificates published here are subject to change and may be amended prior to the commencement of the academic year in 2009.

General information

1. Registration for a particular year of study

On successful application a student will be registered for the complete programme.

2. Registration for examination

A student registers for a programme before 1 September to write examination in April of the following year, or before 1 March to write examination in October of the same year.

3.1. Examination admission and pass requirements

3.1.1 Advanced Certificate in Education: Education Management: A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 20%; assignment 2 = 30% and the examination / project = 50%.

3.1.2 Advanced Certificate in Education: Special Needs Education: A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 10%; assignment 2 = 20% and the examination / project = 70%.

3.1.3 BEd (Hons) Education Management, Law and Policy: A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 10%; assignment 2 = 20% and the examination / project = 70%.

3.2 Examinations

Examinations take place twice a year, (during April and October), at examination centres countrywide. Students must register for examinations as stipulated in paragraph 2 above.

3.3 Re-marking of examination papers (also consult General Regulation G.14)

After an examination, students may request written feedback about the framework that was used by the examiners during the examination. The departmental heads determine the way in which feedback is given. A student may apply for re-marking of the examination paper within 3 weeks of the date on which final marks were released. The prescribed fee has to be paid. An examiner, appointed by the head of department concerned, will re-mark the paper.

4. Re- registration for a module

If a student failed the examination in a module twice, the student will be de-registered for that module and will have to re-register for the module. A student who re-registers for a module has to pay the fees for that module again, and will have to re-submit both assignments 1 and 2. Assignment marks obtained previously will not be carried over.

5. Termination of studies

A student who decides to terminate his/her studies during the course of the academic year, must notify the Unit for Distance Education in writing.

DEGREES AND CERTIFICATES CONFERRED OR AWARDED IN THE FACULTY OF EDUCATION THROUGH DISTANCE EDUCATION

DISTANCE EDUCATION

It is not possible to meet the training needs of teaching staff in South Africa through contact tuition only. Therefore, the Faculty of Education has been offering programmes in a distance education delivery mode for a number of years. To ensure that distance education students can depend on the same quality academic programmes and levels of service quality as contact students, a Unit for Distance Education has been established in the Faculty to manage the distance programmes of the Faculty.

The following certificates and honours degree are awarded/conferred in the Faculty. These programmes are offered as paper-based programmes, supported by academic contact sessions and are presented in a distance education mode.

- (a) **Certificates**
Advanced Certificate in Education (ACE) with specialisation in:
 - (i) Education Management

It includes: nature and functions of the law; understanding the basic principles of the law and applying the law in practice; the South African Constitution and what it requires of education; the South African Schools Act and its prescriptions for schools; human rights and the obligations of all stakeholders in education. GENERAL REGULATIONS

The regulations for degrees, diplomas and certificates here published are subject to change and may be amended prior to the commencement of the following academic year.

Definition of terms

For the purposes of these General Regulations, and unless interpreted differently from the context,

- (i) the term “module” also includes the following: semester module and year module; and
- (ii) the term “semester mark” includes the mark awarded/achieved in respect of a module of seven weeks’ duration, as it is normally examined at the end of the semester in which it is presented.

I. FIRST AND ADVANCED BACHELOR’S DEGREES

G.1 ADMISSION

1. In order to register for a first bachelor's degree at the University a candidate should
 - (a) be in possession of a matriculation exemption certificate issued by the Matriculation Board;
 - (b) comply with the particular requirements, prescribed in the admission procedures and faculty regulations of the respective faculties and departments, for admission to particular modules and fields of study.
2. A candidate, who does not comply with the requirements in G.1.1(a) above, may also be considered for admission, provided that the candidate
 - (a) is in possession of a certificate deemed by the University to be equivalent to any of the certificates mentioned in G.1.1(a); or
 - (b) is a graduate from another tertiary institution or has been granted the status of a graduate of such an institution; or
 - (c) passes an admissions examination prescribed by the University from time to time.
3. The Senate may limit the number of students allowed to register for a field of study, in which case the dean concerned may, at his or her own discretion, select from the students who qualify for registration those who may be admitted.
4. Subject to other faculty regulations and the stipulations of G.1.3 and G.62, a candidate is admitted to a postgraduate bachelor's degree only if he or she is already in possession of a recognised bachelor's degree.

Admission requirements for candidates with a National Senior Certificate (NSC) from 2009

The National Senior Certificate (NSC – a 130 credit certificate at level 4 on the NQF) will first be issued at the end of 2008. A learner must pass seven subjects (4 subjects from Group A and 3 subjects from Group B) to be issued the National Senior Certificate.

National Senior Certificate generic requirements to pursue degree studies at any university:

The minimum statutory requirement to obtain university entrance is a National Senior Certificate (NSC) certified by Umalusi with an achievement rating of 4 (50-59%) in **four** recognised 20-credit subjects from the designated subject list. Please note that Life Orientation is a 10-credit subject.

To be able to gain access to a Faculty and specific programmes prospective students require the appropriate combinations of recognised NSC subjects as well as certain levels of achievement in the said subjects.

In this regard the determination of an admission point score (APS) is explained and a summary of the faculty specific requirements, i.e. the admission point score (APS) per programme and the specific subjects required per programme is provided. Take note that there may be additional subject requirements under "Regulations" in the Regulations and Syllabi of each Faculty.

Determination of an Admission Point Score (APS, old M-Score)

The calculation is simple and based on a candidate's achievement in six 20-credit recognised subjects, by using the NSC ratings, that is the "1 to 7 scale of achievement". Thus, the highest APS that can be achieved is 42.

Life Orientation is excluded from the calculation determining the APS required for admission per faculty, but the University requires that this subject must be passed at a higher rating than the 3 required to obtain an NSC: For example, the Faculty of Health Sciences requires an achievement level of 5 and the other faculties require an achievement level of 4.

Rating code	Rating	Marks %
7	Outstanding achievement	80-100%
6	Meritorious achievement	70-79%
5	Substantial achievement	60-69%
4	Adequate achievement	50-59%
3	Moderate achievement	40-49%
2	Elementary achievement	30-39%
1	Not achieved	0-29%

Preliminary admission is based on the results obtained in the final Grade 11 examination. Final admission is based on Grade 12 results.

Please note: The final Grade 12 results will be the determining factor with regard to admission.

Alternative admission channels: Candidates with an APS lower than required, or without Mathematics where required, could be considered for admission to a faculty if they meet the additional assessment criteria specified by the University from time to time. Preference will, however, be given to students who comply with the regular admission requirements of the University.

G.2 REGISTRATION

1. (S.34) A student registers at the University at the time and in a manner determined by the Council from time to time. By virtue of such registration, the student subjects himself or herself to the rules of the University.

2. Registration takes place in accordance with the regulations applicable to the particular degree for which the student registers, and on condition that compliance with the requirements of that degree is the student's responsibility.
3. Subject to exceptions approved by the dean concerned, a student may register for a module only if the official class timetable allows the student to attend all the classes and if there are no test or examination timetable clashes: Provided that this does not apply to students who register for distance education.
4. Subject to exceptions approved by the dean in consultation with the head of the department concerned, a student is not permitted to register for a module later than 15 days after lectures in that quarter or semester have commenced.
5. After the closing dates for amendment to the selection of modules and fields of study, changes may be made only on the recommendation of the head of the department and with the approval of the dean.
6. Registration for a module taken for non-degree or non-diploma purposes may take place only with the approval of the dean.
7. After registration, a student is obliged to pay the fees due on or before the date stipulated by the Council; and a student who cancels his or her registration, is not entitled to any refund and remains liable for the full amount.

G.3 RENEWAL OF REGISTRATION

1. Students of the University are registered for one year of study, or for a shorter period determined in general or in specific cases by the Council. After a year or period of study has expired, students wishing to continue their studies at the University must renew their registration and pay such fees for renewal of registration as are prescribed by the Council from time to time.
2. Re-registration is permitted only
 - (a) in the case of full-time students, if the student has passed at least the equivalent of four semester modules in a particular year of study, and, in the case of after-hours students, distance education students and students who follow an approved extended study programme, if they have passed at least the equivalent of two semester modules – with the proviso that faculty boards may stipulate other requirements for progress that students must comply with in order to be readmitted;
 - (b) in the case of full-time students, if the student completes the degree for which he or she is still registered within the prescribed minimum period plus two years and, in the case of after-hours students, distance education students and students who follow an approved extended study programme, if such students still complete their studies within the prescribed minimum period plus three years: with the proviso that faculty boards may stipulate other requirements for progress that students must comply with in order to be readmitted.
3. A student who does not comply with the requirements in G.3.2 and who seeks readmission to the faculty, may submit a written request to the dean that his or her application for readmission to the faculty be considered in terms of the set procedure.
4. Regulation G.3.2 is *mutatis mutandis* applicable to students from other tertiary institutions who register at the University.

G.4 TERMINATION OF REGISTRATION

A dean may, on the recommendation of a particular faculty committee, cancel the registration of a student or the registration for a module during an academic year, if the student fails to comply with the minimum requirements determined by the faculty board with regard to tests, examinations or any other work – with the proviso that a student may request that the dean reconsider the decision in terms of the set procedures.

G.5 APPLICATION OF OLD AND NEW REGULATIONS

1. Should a regulation, according to which a curriculum has been compiled, be amended, a student who has started his or her curriculum under the old regulation and who has not interrupted his or her study, may complete such a curriculum in accordance with the old regulation – on condition that a faculty board may formulate special transitional requirements in order to enable that student to complete his study in accordance with the new regulation.
2. A student who has been registered for a degree programme and
 - (a) who has failed to renew his or her registration for such a degree programme in the ensuing calendar year; or
 - (b) who has failed a year of study; or
 - (c) who has not complied with the prescribed requirements for progress in accordance with faculty regulations,is deemed to have interrupted his or her study and forfeits the right to continue studies under the old regulation.
In exceptional cases, a dean may grant such a student permission to continue his or her study in terms of such stipulations as the dean may determine.

G.6 CONCURRENT REGISTRATION FOR TWO FIELDS OF STUDY

With the permission of the dean/deans concerned, a student may register for a degree, diploma or certificate and another degree, diploma or certificate, whether undergraduate or postgraduate, simultaneously, subject to the regulations applicable to the fields of study in question and to any other stipulations the dean/deans may prescribe on the condition that there shall be no overlap in the course content of the first degree, diploma or certificate and the second degree, diploma or certificate. Such a concession may be withdrawn by the dean/deans concerned if the student does not perform satisfactorily.

G.7 MINIMUM STUDY PERIODS AND REQUIREMENTS FOR BACHELOR'S DEGREES

(J.S.16) A bachelor's degree is conferred on a student only if he or she complies with the minimum period of study and other requirements as stipulated in the Joint Statute and the regulations of the University pertaining to the acquisition of that degree.

G.8 RECOGNITION OF MODULES PASSED AT THIS UNIVERSITY

1. (J.S.16) Modules may be recognised for degree purposes only if the date of the student's matriculation exemption certificate, as specified in G.1.1,

becomes effective before 2 April of the academic year in which such a module was completed.

2. If a student wishes to continue his or her study after an interruption, the dean, on the recommendation of the head of the department, may require either that such a student should repeat certain modules already passed or that supplementary work in these modules be undertaken with a view to the continuation of his or her studies.
3. Periods of attendance at and credits for modules which a student obtained at the University and which did not form part of the requirements for a degree already conferred on a student, may be accepted by the dean in consultation with the head of the department concerned, for a bachelor's degree, provided that the student complies with the stipulations in G.8.1 and G.9.4(a).
4. Periods of attendance at and credits for modules which a student acquired at the University and which formed part of the requirements for a degree already conferred on the student, may be accepted by the dean in consultation with the head of the department concerned for a degree in another faculty, or for a second bachelor's degree in the same faculty, provided that there shall be no overlap in the course content of the first degree and the degree in the other faculty or the second degree in the same faculty and furthermore that the student complies with the stipulations in G.9.4(b).

G.9 RECOGNITION OF MODULES/STUDY UNITS PASSED AT OTHER TERTIARY INSTITUTIONS AND THE ADMISSION OF SUCH STUDENTS

1. (J.S.17) A student who was registered at another tertiary institution, must, on application for admission to this University, submit a certificate of conduct from that tertiary institution, as well as a comprehensive official academic record from the tertiary institution concerned and any other documents that may be required by the head of the department or the dean.
2. (J.S.18) Subject to the stipulations of the Joint Statute, the dean may accept periods of attendance as a registered matriculated student at any other tertiary institution approved by the Senate for this purpose, as part of the student's attendance record for a bachelor's degree. Subject to the stipulations of G.9.3, the dean may, furthermore, accept certificates of competence in any module issued by another tertiary institution, and may recognise such modules by means of exemption from class attendance and the examination – with the proviso that such a certificate of competence be accepted only with regard to a module which is recognised by the tertiary institution where it was taken for approved study programmes, and on condition that the student complies with the stipulations in G.8.1. The head of the department concerned may prescribe supplementary requirements if a student wishes to continue with subsequent modules in the subject in question.
3. If there is overlap in the course content of the degree for which the student wishes to enrol or is enrolled and a degree already conferred by another tertiary institution, the dean may not accept certificates of competence in any module and may not recognise such modules that form part of the degree already conferred.
4. A bachelor's degree is conferred on a student in terms of subparagraph (2) only if
 - (a) the period of the student's attendance is at least equivalent to the full period that is prescribed for the degree;

- (b) the student, subject to differently worded requirements approved by the Senate on the grounds of previously approved accredited programmes, has attended, at this University, the modules required by the University
- (i) for a degree for which the period of attendance is three academic years, at least two academic years – on condition that the student has attended at least half the modules prescribed for that degree, as a registered student for that degree;

1.2 PROCEDURE IN CASE OF MISCONDUCT

- 1.2.1 A charge of misconduct shall be laid with the Registrar.
- 1.2.2 The Registrar may of his or her own volition investigate or refer a charge of misconduct for investigation.
- 1.2.3 Should the Registrar be of the opinion that
 - 1.2.3.1 reasonable grounds exist for a charge of misconduct against a student; and
 - 1.2.3.2 the conduct of the particular student could possibly justify disciplinary steps in terms of paragraph 1.3;the Registrar formulates a charge in writing and convenes a disciplinary investigation by the Disciplinary Committee (Students).
- 1.2.4 The Registrar may, if there are reasonable grounds for suspecting that a student is guilty of serious misconduct, temporarily expel a student from a residence or temporarily deny a student access to the campus of the University, pending the results of the disciplinary investigation. An expulsion of this nature takes place if the Registrar is of the opinion that it is reasonably necessary for the protection of the interests of other students, staff and/or the University.
- 1.2.5 If the Registrar is of the opinion that the conduct of a student does not warrant an investigation by the Disciplinary Committee (Students), but that steps should nevertheless be taken against that particular student, and the student has admitted the charge against him or her and has been afforded the opportunity to address the Registrar on the appropriate disciplinary measures, the Registrar may take steps against the student without implementing any further process. The Registrar may deprive the student of a right or privilege exercised in terms of his or her registration as a student as provided for in subparagraph 1.3.1.2, or reprimand the student, or impose a fine not exceeding the amount determined from time to time by Council for this purpose. Where the student is of the opinion that the punishment imposed by the Registrar is unreasonable, he or she may lodge an appeal in respect of this specific aspect in terms of paragraph 1.5.

- 1.2.6 Should the Registrar decide to order a disciplinary investigation by the Disciplinary Committee (Students), a copy of the written charge shall be served on the student concerned. In the document the student is summoned to appear at the specific date, time and venue stated in the document in order to answer to the charge.
- 1.2.7 If the student is a minor, his or her parents or legal guardian must be informed of the disciplinary investigation in a manner which the Registrar deems appropriate under the circumstances.
- 1.2.8 The Registrar shall notify all persons who must be present at the disciplinary investigation.
- 1.2.9 An accused student shall be entitled to be assisted by his or her parents or legal guardian during the disciplinary investigation.
- 1.2.10 An accused student shall not *ipso iure* be entitled to legal representation during the disciplinary investigation. If the student so requests, the Chairperson of the Disciplinary Committee (Students) may give leave to the student to employ the services of a legal representative at his or her own cost. The Chairperson may also give permission to a third party, other than the parent or guardian of the student or his or her legal representative, to assist the student.
- 1.2.11 The Registrar may, as the case may be and when it is justified by the charge, appoint a competent person to handle the charge against the student on behalf of the University. In such instance the accused student is *ipso iure* entitled to legal representation. However, the student remains responsible for his or her own legal costs.
- 1.2.12 The procedure followed during a particular disciplinary investigation is determined by the Disciplinary Committee (Students), taking into account the rules of fair administrative justice. The latter *inter alia* entails that the accused student
 - 1.2.12.1 does not have to incriminate him- or herself;
 - 1.2.12.2 is asked whether he or she admits the charge;
 - 1.2.12.3 is permitted to present his or her defence in a manner that the Committee deems appropriate under the circumstances, but which is at the same time fair towards the student;
 - 1.2.12.4 is allowed to provide evidence in his or her favour; and
 - 1.2.12.5 is allowed to cross-examine anyone who testifies against him or her.
- 1.2.13 The Disciplinary Committee (Students) shall keep minutes of the proceedings or ensure that such minutes are kept in a manner that it considers appropriate under the circumstances.
- 1.2.14 If the Disciplinary Committee (Students) cannot reach a unanimous decision, the decision of the majority of the members shall apply. In the case of an equal vote, the Chairperson has a casting vote.
- 1.2.15 If so requested by a student who is found guilty, the Disciplinary Committee (Students) must furnish written reasons for its decision and/or disciplinary steps.

1.3 PENALTIES

- 1.3.1 Upon finding a student guilty and having heard evidence in mitigation, the Disciplinary Committee (Students) may, with due consideration of any guidelines applicable to minimum penalties for particular transgressions as determined by the Council of the University from time to time:
 - 1.3.1.1 reprimand the student;

- 1.3.1.2 temporarily or permanently deprive the student of a right or privilege which his or her registration as a student at the University entails;
 - 1.3.1.3 impose a fine not exceeding the amount determined from time to time for this purpose by Council, and also order the student to pay an amount which amounts to the actual damage caused by the student;
 - 1.3.1.4 deprive the student of the right or privilege to register for a particular module, or revoke a credit obtained in a module;
 - 1.3.1.5 compel the student to perform community service within the University for a specified number of hours not exceeding the maximum determined from time to time by the Council for this purpose;
 - 1.3.1.6 suspend the student for a specified period; and/or

- 1.3.2 When an appeal against a decision of the Disciplinary Committee (Students) is lodged in terms of paragraph 1.5, the Chairman, after consulting with the other members of the Committee, may suspend any disciplinary measure imposed by the Committee pending the result of the appeal.

1.4 DISCIPLINARY COMMITTEE (STUDENTS)

- 1.4.1 The Disciplinary Committee (Students) consists of three members. The members appointed to serve on a specific committee shall be appointed from the ranks of the following categories of persons:

 - 1.4.1.2 an academic staff member of the University; and
 - 1.4.1.3 a registered student of the University appointed from the ranks of the serving Student Court judges.
- 1.4.2 After the Chairperson of a specific disciplinary committee has been appointed by the Registrar, it is the duty of the Chairperson to appoint the remainder of the committee in consultation with the Registrar and in accordance with the abovementioned guidelines.
- 1.4.3 If there are no Student Court judges or such judges are unavailable, the disciplinary investigation may lawfully continue without a representative from the ranks of the judges of the Student Court.

1.5 APPEAL PROCEDURE

- 1.5.1 A student may appeal against the conviction and/or the disciplinary measures imposed by the Disciplinary Committee (Students) in accordance with the following procedure:
- 1.5.1.1 The student may appeal to the Appeals Committee of Senate against the conviction and/or the disciplinary measures imposed by the Disciplinary Committee (Students) by lodging a written Notice of Appeal to the Registrar.
 - 1.5.1.2 The written Notice of Appeal shall be lodged with the Registrar not later than ten days after the student has been informed in writing of the finding of the Disciplinary Committee (Students). The Notice of Appeal shall be accompanied by an amount not

exceeding R2 000 (Two Thousand Rand) or another amount as determined by Council from time to time, which shall serve as part payment for costs related to the appeal: provided that in deserving cases the Registrar may lower the amount payable or waive the payment at his/her discretion.

- 1.5.1.3 The grounds of appeal must be furnished in detail in the Notice of Appeal.
- 1.5.1.4 On receipt of the Notice of Appeal, a copy thereof shall be submitted to the Chairman of the Disciplinary Committee (Students), whereupon the Committee shall prepare a response to the grounds of the appeal within a reasonable time and submit it to the Registrar.
- 1.5.1.5 The Registrar shall provide the student with the response furnished by the Disciplinary Committee (Students), who in turn may within seven days submit a written replication to the Registrar.
- 1.5.1.6 The Registrar shall then arrange for the appeal to be heard as soon as possible by the Appeals Committee of Senate.
- 1.5.1.7 The Appeals Committee of Senate may ratify, alter or set aside any conviction and/or disciplinary measure imposed, which may include the suspension or reduction of or increase in disciplinary measures, and may otherwise make any order which, taking into account the facts of the case, would be just and equitable. Should the Appeals Committee of Senate set aside the conviction and/or disciplinary measures imposed by the Disciplinary Committee (Students), or reduce the disciplinary measures imposed on the student, the University shall repay the amount paid by the student in accordance with 1.5.1.2. above.
- 1.5.1.8 The appeal shall be adjudicated on the basis of the documentation before the Appeals Committee of Senate and no representation on behalf of any party shall be permitted at the hearing of the appeal.

- 1.7.3 If the Vice-Chancellor and Principal is of the opinion that the circumstances of a specific case warrant it, he or she may perform some or all of the actions performed by the Registrar in terms of the Disciplinary Code or, alternatively, he or she may delegate the authority to perform these functions to another staff member of the University.
- 1.7.4 Nothing in this document shall prohibit the Council of the University from promulgating specific disciplinary codes and procedures for regulating conduct in Residences or in other units within the University where this is necessitated by operational requirements. This Code shall apply in the absence of such measures.

2. IMPORTANT PROCEDURES, REGULATIONS, RULES AND INSTRUCTIONS

It is required of each student to acquaint him- or herself thoroughly with the provisions of the procedures, regulations, rules and instructions of the University with regard to the matters hereafter.

NB: In the case of contraventions ignorance of the above-mentioned regulations will not be accepted as an excuse.

2.1 SEXUAL AND RACIAL HARASSMENT

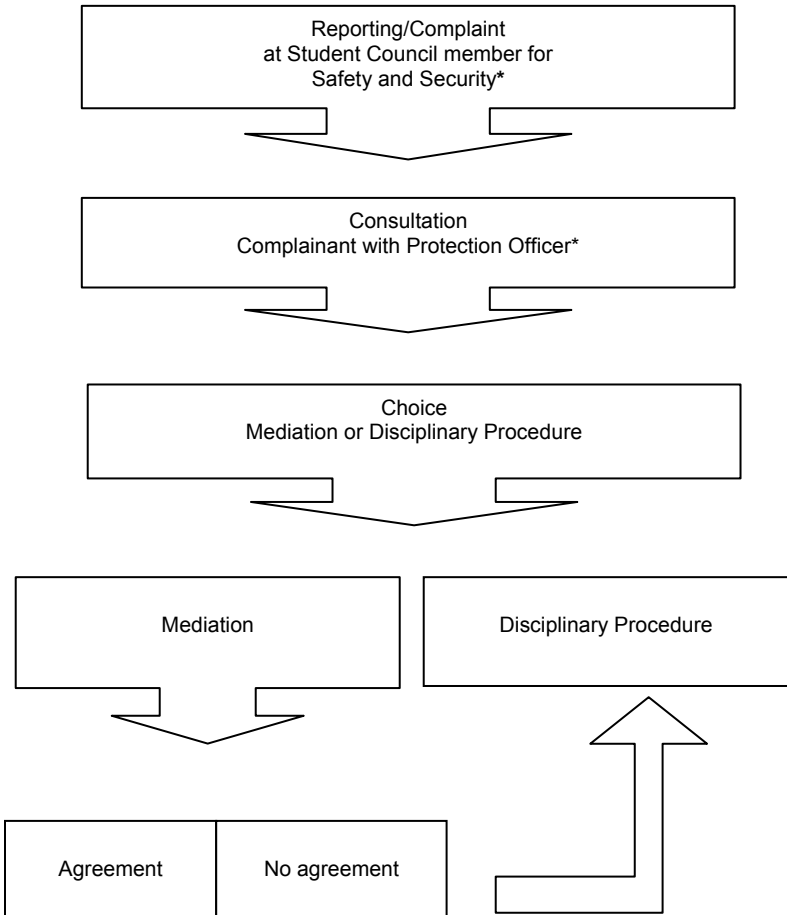

In terms of its policy on racial and sexual harassment, the University of Pretoria strives towards the establishment of a non-sexist, non-racist, non-discriminatory working, living and learning environment.

Disciplinary steps can be taken against students who commit acts of sexual and/or racial harassment. Upon conviction, such students can be expelled.

Sexual harassment is any conduct with a sexual undertone or suggestion that infringes on a student's right to a safe, non-intimidating learning and living environment, while racial harassment is described as any humiliating and/or derogatory verbal or non-verbal action which has an explicit or implicit racial connotation or undertone and infringes on a student's right to a safe, non-intimidating, non-racist learning or living environment.

The University's policy on sexual harassment and racial harassment sets out the procedures to be followed by a complainant in the above-mentioned cases and can be illustrated as follows:

The covered portion may only be opened by the examiner, if the student number is incorrect or illegible.

B. REGISTRATION FOR EXAMINATIONS

At the beginning of the year, a student indicates on his or her registration form in which modules he or she will be writing examinations. If, however, the student later decides not to write an examination in a module(s), he or she must inform the Student Administration of the faculty concerned accordingly.

C. ADMISSION TO EXAMINATIONS

1. 2. In the calculation of the year mark, performance in tests and the satisfactory execution of assignments (tasks) are taken into consideration.
3. It is therefore essential that a student attends classes regularly, writes all tests and completes all work assignments. A student who, as a result of unforeseen circumstances, is prevented from attending classes, writing tests or completing assignments on time, should contact the lecturer(s) concerned without delay in order to make alternative arrangements. Neglect to do so could result in admission to the examination being denied.
4. In the event of illness, a valid and acceptable medical certificate must be submitted to the Student Administration concerned, in addition to making arrangements with the lecturer(s) concerned.
5. The names of students who have not been admitted to examinations are announced by the various departments on the last day of lecturing by means of name lists placed on the departmental notice boards. The general premise is that the behaviour of the students of the University of Pretoria shall at all times, i.e. also at any sports meeting – **including Intervarsity** – be such that the image and good name of the University is not prejudiced. In this regard, an intervarsity is not considered to be an extension of Rag, but an event in its own right with a long and proud tradition.

4. A copy of the mentioned document is also made available to the official to whom the fine is to be paid. The official mentioned keeps a register of all parking and traffic offences with complete particulars of fines paid, of any representations relating to offences submitted, as well as the result of such representations.
5. Representations are considered by the Director: Security Services.

The person must immediately indicate whether such a hearing would be desirable.

- (c) Should a person request a hearing, a date for hearing is determined and a document co-signed by the Director: Security Services, or an official authorised by him, and the person concerned, is handed to the person. In this document the person is notified of the date, time and place of the hearing of the Traffic Tribunal.
- (d) If a fine is not paid before the date fixed in terms of paragraph 1.2 or paragraph 1.5(a)(iii), the Director: Security Services notifies the Traffic Tribunal .

 - (iii) impose a fine to the maximum, as stipulated in paragraph 1.7(d), for neglecting to obey an order in terms of 1.6(b)(i), or for neglecting to appear in the Traffic Tribunal on a day determined for the hearing, or for any action that amounts to contempt of the Traffic Tribunal;
 - (iv) charge the tracing costs as well as impose a fine for neglecting to react to the document mentioned in paragraph 1.1-4 (the maximum fine is stipulated in paragraph 1.7(d)); or
 - (v) institute legal procedures in terms of the Traffic Tribunal if a person continues to contravene the traffic regulations.

7. **Absence**

- (a) If a person does not at all react to the document mentioned in paragraph 1.1 or on an order of the Director: Security Services in terms of paragraph 1.5(a) or (b), the Traffic Tribunal may grant a trial to such a person on the basis of a submission by the Director: Security Services, in his or her absence and the powers of the Traffic Tribunal take effect in terms of paragraph 1.6.(b).
The same procedure applies when a person neglects to appear on the day stipulated for the trial in terms of paragraphs 1.5(a)(iii) and 1.7(a).
- (b) When the Traffic Tribunal imposes a fine in terms of paragraphs 1.5(a) and 1.7(a) in the absence of the offender, a notice is sent to the person by the Director: Security Services, in which he or she is informed of the fine imposed on him or her in their absence, and which informs the person that unless he or she is able to provide sound reasons to the Traffic Tribunal on the day, time and place stipulated in the notice, the imposed fine will automatically be confirmed and dealt with as stipulated in paragraph 1.7(c).
- (c) Any fine imposed in terms of these rules which remains outstanding for a period of 14 days following the day stipulated for payment in terms of these rules, will be charged to the University account or salary of the person and he or she will not receive credit for subjects passed during that year prior to the final settlement of the account.
- (d) The amount payable in respect of parking and traffic offences and the maximum fine the Traffic Tribunal may impose in terms of these rules, is stipulated annually by the Vice-Chancellor and Principal in consultation with other members of the Traffic Tribunal but will not exceed R200,00.
- (e) The person in charge of the vehicle at the time of the parking or traffic offence is considered the driver of the vehicle, unless evidence to the contrary is provided.

8. **Parking reservation**

No parking reservations will be made for individuals. Premises will only be reserved for University activities, such as graduation ceremonies. In the case of bigger events where parking and traffic control arrangements must be made, such a service must be afforded by the institution or department in question, because extra people must be employed at overtime rates. Arrangements in this regard must be made at least two (2) days in advance.

3. **TERMINATION OF STUDIES**

- 3.1 A student who decides to terminate his or her studies during the course of the academic year, must notify the University **in writing** and the notification (on the official form) of the termination of studies must be handed in at the accounts consultants at the Client Service Centre. All changes of modules must be done in writing at the relevant student administration.
- 3.2 The date on which the University receives the notification from the student will be considered to be the date on which studies are terminated. The burden of proof for the termination of studies or modules rests with the student.
- 3.3 If a student terminates his or her studies after the first Tuesday in June, or notice to this effect is received by the University after this date, the student shall be

considered to have registered for the full academic year and to have failed. It is therefore in the interest of the student to notify the University without delay that he or she is terminating their studies.

4. MEDIUM OF INSTRUCTION

The University uses two official languages, namely Afrikaans and English, in conducting its general business, while Sepedi is being promoted as a language of communication. The language of instruction is either Afrikaans or English or both languages, taking the demand as well as academic justification and economic viability into consideration.

However, it remains the student's responsibility to determine in which language and at which levels modules are presented. This information is published annually in the Timetable Book. The University reserves the right to change the language of instruction on short notice, depending on the size of the groups and the availability of lecturers. In respect of administrative and other services, a student may choose whether the University should communicate with him or her in Afrikaans or English.
