GENERAL INFORMATION

The regulations and information contained in this publication apply to students enrolled for distance education programmes.

Admission
Any person who wishes to register at the University for the first time, or after an interruption of studies, should apply or reapply for admission. Application for admission to all programmes closes on 30 September, except where it is indicated differently. Students for distance education may apply for admission at any time during the year. However, they must apply before 1 September to write examination in April of the following year, or before 1 March to write examination in October of the same year. No late registrations will be accepted.

Selection
A selection procedure takes place prior to admission to:
• All undergraduate programmes (including certificate programmes); and
• All BEdHons (full-time) master’s and doctoral programmes.

Language of tuition
In conducting its general business, the University uses two official languages, namely Afrikaans and English.
In formal education, the language of tuition is either Afrikaans or English or both languages, taking the demand as well as academic justification and economic viability into consideration. However, it remains the student’s responsibility to determine in which language a module and any further level of that module is presented. This information is published annually in the Timetable. The University reserves the right to change the language of tuition on short notice, depending on the size of the groups and the availability of lecturers. In respect of administrative and other services, a student may choose whether the University should communicate with him or her in Afrikaans or English.

Bursaries and loans
Particulars of bursaries and loans are available on request. Distance education students may apply for an Edu-Loan to cover the cost of their studies.

Accommodation
It is a student’s own responsibility to arrange for his/her own transport, accommodation and food during contact sessions and examinations.

Prescribed books
The complete content of each programme is contained in the learning materials that students receive. It is not necessary to buy any additional textbooks. Extracts from referenced textbooks are provided with the learning materials. Students also receive envelopes, assignment covers and writing pads to submit their assignments.

Amendment of regulations and fees
The University retains the right to amend the regulations and to change module fees without prior notification.
Please note: The fees advertised and thus levied in respect of a module or study programme presentation represent a combination of the costs associated with the formal services rendered (for example lectures, practicals, access to laboratories, consumables used in laboratories, etc) as well as associated indirect overheads such as the provision
of library and recreation facilities, security and cleaning services, electricity and water supply, etc. Therefore the fees in respect of a module or study programme presentation cannot simply be reconciled with the visible services that are rendered in respect of such module or study programme.

REGULATIONS AND CURRICULA

The rules for degrees and certificates published here are subject to change and may be amended prior to the commencement of the academic year in 2013.

General information

1. Registration for a particular year of study
On successful application a student will be registered for the complete programme.

2. Registration for examination

3. Examination admission and pass requirements

3.1.1 Advanced Certificate in Education: Education Management: A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 20%; assignment 2 = 30% and the examination/project = 50%.

3.1.2 Advanced Certificate in Education: Special Needs Education: (09122052) A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 10%; assignment 2 = 20% and the examination/project = 70%.

3.1.3 Advanced Certificate in Education: Special Needs Education: (09122053) A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 20%; assignment 2 = 30% and the examination/project = 50%.

3.1.4 BEdHons (Education Management, Law and Policy): (09240080): A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 10%; assignment 2 = 20% and the examination/project = 70%.

3.1.5 BEdHons (Education Management, Law and Policy) (09240081): A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 10%; assignment 2 = 20% and the examination/project = 70%.

3.2 Examinations
Examinations take place twice a year, (during April and October), at examination centers countrywide. Students must register for examinations as stipulated in paragraph 3 above.
3.3  **Re-marking of examination papers (also consult General Regulation G.14)**

After an examination, students may request written feedback about the framework that was used by the examiners during the examination. The departmental heads determine the way in which feedback is given. A student may apply for re-marking of the examination paper within 3 weeks of the date on which final marks were released. The prescribed fee has to be paid. An examiner, appointed by the head of department concerned, will re-mark the paper.

4.  **Reregistration for a module**

If a student failed the examination in a module twice, the student will be deregistered for that module and will have to reregister for the module. A student who reregisters for a module has to pay the fees for that module again, and will have to resubmit both assignments 1 and 2. Assignment marks obtained previously will not be carried over.

5.  **Termination of studies**

A student, who decides to terminate his or her studies during the course of the academic year, must notify the Unit for Distance Education in writing.

**DEGREES AND CERTIFICATES CONFERRED OR AWARDED IN THE FACULTY OF EDUCATION THROUGH DISTANCE EDUCATION**

**DISTANCE EDUCATION**

It is not possible to meet the training needs of teaching staff in South Africa through contact tuition only. Therefore, the Faculty of Education has been offering programmes in a distance education delivery mode for a number of years. To ensure that distance education students can depend on the same quality academic programmes and levels of service quality as contact students, a Unit for Distance Education has been established in the Faculty to manage the distance programmes of the Faculty.

The following certificates and honours degree are awarded/conferred in the Faculty. These programmes are offered as paper-based programmes, supported by academic contact sessions and are presented in a distance education mode.

(a)  **Certificates**

Advanced Certificate in Education [ACE] in:
(i)  Education Management
(ii) Special Needs Education

(b)  **Degree**

BEdHons
(i)  Education Management, Law and Policy

**CERTIFICATES**

(a)  **Requirements for admission**

(i)  A professional teaching diploma of at least three years full-time study. (M+3) (REQV13)

(ii) Any other M+3 diploma with appropriate work experience. In this case the certificate will not be acknowledged for teaching purposes.
(b) **Duration**
The minimum study period is two years. The programme must be completed within four years.

(c) **Examinations**
Examinations take place twice a year (during April and October) at examination centers countrywide. Students must register for examinations as stipulated in regulation 2 on p 3.

(d) **Certificate with distinction**
The certificate is awarded with distinction to a student who obtains an average of 75%, with a minimum of 70% in each module.

(e) **Language**
The learning materials are available only in English. Assignments and examination papers may, however, be answered in Afrikaans.

(f) **Contact sessions**
Students have two contact sessions with lecturers per year. These contact sessions take place over a period of at least three consecutive days at the different centres countrywide and provide important learning support opportunities for students. It is the student’s own responsibility to arrange for his/her own transport, accommodation and food during contact sessions and examinations.

(g) **Assignments**
Students must complete and submit at least two assignments per module. These assignments are support mechanisms for students in their studies. Assignments are compulsory and contribute 30% or 50% towards the final mark.

(h) **Capping assignment (only for Education Management students enrolled from 1 October 2007)**
Students who enrolled before October 2007 for the ACE: Education Management programme are not required to submit the capping assignment. Students who have enrolled since 1 October 2007 onwards started their studies with the revised programme where the capping assignment forms part of the requirements for completion of the programme. The capping assignment must be submitted at the end of the entire programme, when a student writes her/his last and final examination. It provides an opportunity for the student to demonstrate your achievement holistically in terms of the overall purpose of the programme, which was to develop your professional management competence and critical reflection.

The capping assignment requires you to synthesise material from all six modules in the programme, by identifying and analyzing a current management problem that influences the quality of teaching and learning at your school or in your classroom.

(i) **Practical experience LPO 402 (only for Special Needs Education) (09122052)**
A written report of the findings of the assessment, interviews and intervention with learners with special education needs is compulsory, and must be prepared according to the requirements of the specific department and submitted for assessment. GENERAL REGULATIONS

The regulations for degrees, diplomas and certificates here published are subject to change and may be amended prior to the commencement of the following academic year.

Definition of terms

For the purposes of these General Regulations, and unless interpreted differently from the context,
(i) the term “module” also includes the following: semester module and year module; and
(ii) the term “semester mark” includes the mark awarded/achieved in respect of a module of seven weeks’ duration, as it is normally examined at the end of the semester in which it is presented.
(iii) S = UP Statute
(iv) J.S. = Joint Statute of the South African Universities

I. FIRST AND ADVANCED BACHELOR'S DEGREES

G.1 ADMISSION

1. In order to register for a first bachelor's degree at the University a candidate should
   (a) be in possession of a National Senior Certificate certified by Umalusi;
   (b) comply with the particular requirements, prescribed in the admission procedures and faculty regulations of the respective faculties and departments, for admission to particular modules and fields of study.

2 Admission requirements for candidates with a National Senior Certificate (NSC)
   (a) The minimum statutory requirement to obtain university entrance is a National Senior Certificate (NSC) certified by Umalusi with an achievement rating of 4 (50-59%) in four recognised 20-credit subjects from the designated subject list. Please note that Life Orientation is a 10-credit subject.

   (b) To be able to gain access to a Faculty and specific programmes prospective students require the appropriate combinations of recognised NSC subjects as well as certain levels of achievement in the said subjects. In this regard the determination of an admission point score (APS) is explained and a summary of the faculty specific requirements, i.e. the admission point score (APS) per programme and the specific subjects required per programme and their required level of achievement are provided. Take note that there may be additional subject requirements under “Regulations” in the Regulations publication of each Faculty.
Determination of an Admission Point Score (APS, old M-Score)
The calculation is based on a candidate’s achievement in six 20-credit recognised subjects, by using the NSC ratings, that is the “1 to 7 scale of achievement”. Thus, the highest APS that can be achieved is 42.

Life Orientation is excluded from the calculation determining the APS required for admission per faculty.

Preliminary admission is based on the results obtained in the final Grade 11 examination.

Please note: The final Grade 12 results will be the determining factor with regard to admission.

Alternative admission channels: Candidates with an APS lower than required, or without a required subject such as Mathematics, could be considered for admission to a faculty if they meet the additional assessment criteria specified by the University from time to time. Preference will, however, be given to students who comply with the regular admission requirements of the University.

3. A candidate, who does not comply with the requirements in G.1.1(a) above, may also be considered for admission, provided that the candidate
   (a) is in possession of a certificate deemed by the University to be equivalent to any of the certificates mentioned in G.1.1(a); or
   (b) is a graduate from another tertiary institution or has been granted the status of a graduate of such an institution; or
   (c) passes an admissions examination prescribed by the University from time to time.

4. Senate may limit the number of students allowed to register for a field of study, in which case the dean concerned may, at his or her own discretion, select from the students who qualify for registration those who may be admitted.

5. Subject to other faculty regulations and the stipulations of G.1.3 and G.62, a candidate is admitted to a postgraduate bachelor's degree only if he or she is already in possession of a recognised bachelor’s degree.
G.2 REGISTRATION

1. (S.58) A student registers at the University at the time and in a manner determined by the Council from time to time. By virtue of such registration, the student subjects himself or herself to the rules of the University.

2. Registration takes place in accordance with the regulations applicable to the particular degree for which the student registers, and on condition that compliance with the requirements of that degree is the student's responsibility.

3. Subject to exceptions approved by the dean concerned, a student may register for a module only if the official class timetable allows the student to attend all the classes and if there are no test or examination timetable clashes: Provided that this does not apply to students who register for distance education.

4. Subject to exceptions approved by the dean in consultation with the head of the department concerned, a student is not permitted to register for a module later than 15 days after lectures in that quarter or semester have commenced.

5. After the closing dates for amendment to the selection of modules and fields of study, changes may be made only on the recommendation of the head of the department and with the approval of the dean.

6. Registration for a module taken for non-degree or non-diploma purposes may take place only with the approval of the dean.

7. After registration, a student is obliged to pay the fees due on or before the date stipulated by the Council; and a student who cancels his or her registration, is not entitled to any refund and remains liable for the full amount.

G.3 RENEWAL OF REGISTRATION

1. Students of the University are registered for one year of study, or for a shorter period determined in general or in specific cases by the Council. After a year or period of study has expired, students wishing to continue their studies at the University must renew their registration and pay such fees for renewal of registration as are prescribed by the Council from time to time.

2. Re-registration is permitted only
   (a) in the case of full-time students, if the student has passed at least the equivalent of four semester modules in a particular year of study, and, in the case of after-hours students, distance education students and students who follow an approved extended study programme, if they have passed at least the equivalent of two semester modules – on condition that faculty boards may stipulate other requirements for progress that students must comply with in order to be readmitted;
   (b) in the case of full-time students, if the student completes the degree for which he or she is still registered within the prescribed minimum period plus two years and, in the case of after-hours students, distance education students and students who follow an approved extended study programme, if such students still complete their studies within the prescribed minimum period plus three years: provided that faculty boards may stipulate other requirements for progress that students must comply with in order to be readmitted.
3. A student who does not comply with the requirements in G.3.2 and who seeks readmission to the faculty may submit a written request to the dean that his or her application for readmission to the faculty be considered in terms of the set procedure.

4. Regulation G.3.2 applies with the necessary changes, to students from other tertiary institutions who register at the University.

G.4 TERMINATION OF REGISTRATION

A dean may, on the recommendation of a particular faculty committee, cancel the registration of a student or the registration for a module during an academic year, if the student fails to comply with the minimum requirements determined by the faculty board with regard to tests, examinations or any other work – on condition that a student may request that the dean reconsider the decision in terms of the set procedures.

G.5 APPLICATION OF OLD AND NEW REGULATIONS

1. Should a regulation, according to which a curriculum has been compiled, be amended, a student who has started his or her curriculum under the old regulation and who has not interrupted his or her study, may complete such a curriculum in accordance with the old regulation – on condition that a faculty board may formulate special transitional requirements in order to enable that student to complete his study in accordance with the new regulation.

2. A student who has been registered for a degree programme and
   (a) who has failed to renew his or her registration for such a degree programme in the ensuing calendar year; or
   (b) who has failed a year of study; or
   (c) who has not complied with the prescribed requirements for progress in accordance with faculty regulations,

   is deemed to have interrupted his or her study and forfeits the right to continue studies under the old regulation.

   In exceptional cases, a dean may grant such a student permission to continue his or her study in terms of such stipulations as the dean may determine.

G.6 CONCURRENT REGISTRATION FOR TWO FIELDS OF STUDY

With the permission of the dean/deans concerned, a student may register for a degree, diploma or certificate and another degree, diploma or certificate, whether undergraduate or postgraduate, simultaneously, subject to the regulations applicable to the fields of study in question and to any other stipulations the dean/deans may prescribe on the condition that there shall be no overlap in the course content of the first degree, diploma or certificate and the second degree, diploma or certificate. Such a concession may be withdrawn by the dean/deans concerned if the student does not perform satisfactorily.
G.7 MINIMUM STUDY PERIODS AND REQUIREMENTS FOR BACHELOR'S DEGREES

(J.S.16) A bachelor's degree is conferred on a student only if he or she complies with the minimum period of study and other requirements as stipulated in the Joint Statute and the regulations of the University pertaining to the acquisition of that degree.

G.8 RECOGNITION OF MODULES PASSED AT THIS UNIVERSITY

1. (J.S.16) Modules may be recognised for degree purposes only if the date of the student's National Senior Certificate, certified by Umalusi, as specified in G.1.1, becomes effective before 2 April of the academic year in which such a module was completed.

2. If a student wishes to continue his or her study after an interruption, the dean, on the recommendation of the head of the department, may require either that such a student should repeat certain modules already passed or that supplementary work in these modules be undertaken with a view to the continuation of his or her studies.

3. Periods of attendance at and credits for modules which a student obtained at the University and which did not form part of the requirements for a degree already conferred on a student, may be accepted by the dean in consultation with the head of the department concerned, for a bachelor's degree, provided that the student complies with the stipulations in G.8.1 and G.9.4(a).

4. Periods of attendance at and credits for modules which a student acquired at the University and which formed part of the requirements for a degree already conferred on the student, may be accepted by the dean in consultation with the head of the department concerned for a degree in another faculty, or for a second bachelor's degree in the same faculty, provided that there shall be no overlap in the course content of the first degree and the degree in the other faculty or the second degree in the same faculty and furthermore that the student complies with the stipulations in G.9.4(b).

G.9 RECOGNITION OF MODULES/STUDY UNITS PASSED AT OTHER TERTIARY INSTITUTIONS AND THE ADMISSION OF SUCH STUDENTS

1. (J.S.17) A student who was registered at another tertiary institution, must, on application for admission to this University, submit a certificate of conduct from that tertiary institution, as well as a comprehensive official academic record from the tertiary institution concerned and any other documents that may be required by the head of the department or the dean.

2. (J.S.18) Subject to the stipulations of the Joint Statute, the dean may accept periods of attendance as a registered matriculated student at any other tertiary institution approved by Senate for this purpose, as part of the student's attendance record for a bachelor's degree. Subject to the stipulations of G.9.3, the dean may, furthermore, accept certificates of competence in any module issued by another tertiary institution, and may recognise such modules by means of exemption from class attendance and the examination – provided that such a certificate of competence be accepted only with regard to a module which is recognised by the tertiary institution where it was taken for approved study programmes, and on condition that the student complies with the stipulations in G.8.1. The head
of the department concerned may prescribe supplementary requirements if a student wishes to continue with subsequent modules in the subject in question.

3. If there is overlap in the course content of the degree for which the student wishes to enrol or is enrolled and a degree already conferred by another tertiary institution, the dean may not accept certificates of competence in any module and may not recognise such modules that form part of the degree already conferred.

4. A bachelor's degree is conferred on a student in terms of subparagraph (2) only if
   (a) the period of the student's attendance is at least equivalent to the full period that is prescribed for the degree;
   (b) the student, subject to differently worded requirements approved by Senate on the grounds of previously approved accredited programmes, has attended, at this University, the modules required by the University
      (i) for a degree for which the period of attendance is three academic years, at least two academic years – on condition that the student has attended at least half the modules prescribed for that degree, as a registered student for that degree;
      (ii) for a bachelor's degree for which the period of attendance is four academic years, at least during the final two academic years;
      (iii) for a bachelor's degree for which the period of attendance is four and a half academic years, at least during the final two and a half academic years;
      (iv) for a bachelor's degree for which the period of attendance is five academic years, at least during the final two academic years;
      (v) for a bachelor's degree for which the period of attendance is five and a half academic years, at least during the final two and a half academic years;
      (vi) for a bachelor's degree for which the period of attendance is six academic years, at least during the final three academic years, with the exception of the Bachelor of Arts (Theology) degree, in which case the student must have attended modules at least during the final two academic years.

**Note: Distance Education students:**
The following modules from the previous FDE: Education Management programme (which has now been phased out) will be recognised: Education management 401 (OWB 401): Organisation management 401 (OBT 401) and Education management 402 (OWB 402) No modules will be recognised from the previous FDE: Special Needs and BEd programmes, which have now also been phased out.

      2.1.3 comply with the subminimum in subdivisions of modules, as stipulated in the regulations of the particular faculties.

   2.2 Each faculty should, by way of faculty regulations, determine the weight that is allocated to the year or semester mark and the examination mark in the calculation of the final mark of the student: Provided that all year modules and semester modules in a faculty need not be dealt with in the same way, although a large degree of uniformity is desirable.

   2.3 Subject to other faculty regulations, a student passes a module with distinction if he or she obtains a final mark of at least 75%.

**Note: Distance Education students:**

A final mark of at least 50% is required to pass a module. The final mark is calculated by using the following three marks: assignment 1 = 10%: assignment 2 = 20% and the examination / project = 70% or the final mark is calculated by using the following three marks: assignment 1 = 20%: assignment 2 = 30% and the examination / project = 50%.

G.13 **EXAMINERS**

An examination in a module must be conducted by one or more examiner/s who is/are not involved with the instruction of that division of the module that is examined, together with one or more of the lecturers of such a module. Should this be impracticable as a result of the death, resignation, absence, illness or any other inability of the lecturer concerned, the dean of the faculty in question, in consultation with the head of the department concerned, may make the necessary arrangements.

G.14 **PERUSAL AND RE-MARKING OF EXAMINATION SCRIPTS**

After conclusion of the examinations departments provide feedback to students concerning the framework used by examiners during examinations, provided that in the case of distance education the dean may make other arrangements to provide feedback to students. Students may apply for the re-marking of examination scripts after perusal of such scripts and within 14 days after the commencement of the lectures of the ensuing semester, and after payment of the prescribed fee. The stipulations of G.15 apply with the necessary changes.
VI. GRANTING OF GRADUATE STATUS WITH A VIEW TO POSTGRADUATE STUDY

G.62 POLICY ON POSTGRADUATE STUDENT CASES AND THE RECOGNITION OF PRIOR LEARNING

As the University has a finite capacity in most undergraduate fields (its limits have already been reached or those admitted are selected from a large number of applicants), the University’s policy on the recognition of prior learning only applies to student cases at postgraduate level (including postgraduate diplomas).

Furthermore, as the University’s strategic objective is to be an internationally recognised research university, admission to postgraduate study by means of the recognition of a prior learning pathway is the exception rather than the rule.Senate may
(a) grant a graduate of another higher education institution (either in the Republic or elsewhere) a status at the University that is equivalent to the status the student had at such other higher education institution.
(b) admit a person, who
   (i) has passed examinations at another university or institution (either in the Republic or elsewhere) which Senate deems equivalent to, or higher than the examinations prescribed for a degree at the University, which are set as a prerequisite for admission to a particular postgraduate study programme, or for the admission of such a person as a research student; or
   (ii) in another manner has reached a standard of competence Senate considers adequate for the purposes of postgraduate study or research at the University, as a student for a postgraduate degree, diploma or certificate.
(c) It is expected of the person referred to in paragraph (b)(ii) to demonstrate the same level of applied competence (fundamental knowledge, understanding of organisation or operating environment, application of essential methods, interpretation, conversion and evaluation of text, problem solving and changing context, information gathering, presentation skills) and autonomy of learning (responsibility for own learning, decision-making, evaluation of own or others’ performance, manage learning tasks and research leadership) as a student who entered through the regular entrance pathway.
(d) The manner in which a person’s standard of competence referred to in subparagraph (b)(ii) is assessed, the type of evidence required and the role-players involved in the process are determined from time to time by each faculty and form the basis for the motivation of each case to Senate.
(e) To ensure the soundness of the procedure referred to above Senate requires an annual report from every faculty on the progress of candidates admitted under this Regulation.

VII. DIPLOMAS AND CERTIFICATES

G.63 Subject to provisions to the contrary in faculty regulations, the General Regulations shall apply with the necessary changes to diplomas and certificates
The information in this section is only valid for the 2013 academic year.

Every student is required to familiarise him/herself with all relevant procedures, regulations, rules and instructions of the University.

Ignorance of the procedures, regulations, rules and instructions will not be accepted as an excuse in the case of transgressions.

the following: misrepresentations regarding academic and
other records, including degree and diploma certificates

the University would not or probably would not have acted
in the absence of such misrepresentation;

purporting to be a copy of a non-existent document as well
as changing an existing document);
   c. presents a forged document with the aim of misleading
another person; or
   d. plagiarises by stating, or implying, original authorship of

1.2 PROCEDURE IN CASE OF MISCONDUCT

1.2.1 A charge of misconduct shall be laid with the Registrar.

1.2.2 The Registrar may of his or her own volition investigate or refer a charge of misconduct for investigation.

1.2.3 Should the Registrar be of the opinion that

1.2.3.1 reasonable grounds exist for a charge of misconduct against a student; and

1.2.3.2 the conduct of the particular student could possibly justify disciplinary steps in terms of paragraph 1.3;

the Registrar formulates a charge in writing and convenes a disciplinary investigation by the Disciplinary Committee (Students).

1.2.4 The Registrar may, if there are reasonable grounds for suspecting that a student is guilty of serious misconduct, temporarily expel a student from a residence or temporarily deny a student access to the campus of the University, pending the results of the disciplinary investigation. An expulsion of this nature takes place if the Registrar is of the opinion that it is reasonably necessary for the protection of the interests of other students, staff and/or the University.

1.2.5 If the Registrar is of the opinion that the conduct of a student does not warrant an investigation by the Disciplinary Committee (Students), but that steps should nevertheless be taken against that particular student, and the student has admitted the charge against him or her and has been afforded the opportunity to address the Registrar on the appropriate disciplinary measures, the Registrar may take steps against the student without implementing any further process. The Registrar may deprive the student of a right or privilege exercised in terms of his or her registration as a student as provided for in subparagraph 1.3.1.2, or reprimand the student, or impose a fine not exceeding the amount determined from time
to time by Council for this purpose. Where the student is of the opinion that the punishment imposed by the Registrar is unreasonable, he or she may lodge an appeal in respect of this specific aspect in terms of paragraph 1.5.

1.2.6 Should the Registrar decide to order a disciplinary investigation by the Disciplinary Committee (Students), a copy of the written charge shall be served on the student concerned. In the document the student is summoned to appear at the specific date, time and venue stated in the document in order to answer to the charge.

1.2.7 If the student is a minor, his or her parents or legal guardian must be informed of the disciplinary investigation in a manner which the Registrar deems appropriate under the circumstances.

1.2.8 The Registrar shall notify all persons who must be present at the disciplinary investigation.

1.2.9 An accused student shall be entitled to be assisted by his or her parents or legal guardian during the disciplinary investigation.

1.2.10 An accused student shall not ipso iure be entitled to legal representation during the disciplinary investigation. If the student so requests, the Chairperson of the Disciplinary Committee (Students) may give leave to the student to employ the services of a legal representative at his or her own cost. The Chairperson may also give permission to a third party, other than the parent or guardian of the student or his or her legal representative, to assist the student.

1.2.11 The Registrar may, as the case may be and when it is justified by the charge, appoint a competent person to handle the charge against the student on behalf of the University. In such instance the accused student is ipso iure entitled to legal representation. However, the student remains responsible for his or her own legal costs.

1.2.12 The procedure followed during a particular disciplinary investigation is determined by the Disciplinary Committee (Students), taking into account the rules of fair administrative justice. The latter, among other things entails that the accused student

1.2.12.1 does not have to incriminate him- or herself;

1.2.12.2 is asked whether he or she admits the charge;

1.2.12.3 is permitted to present his or her defence in a manner that the Committee deems appropriate under the circumstances, but which is at the same time fair towards the student;

1.2.12.4 is allowed to provide evidence in his or her favour; and

1.2.12.5 is allowed to cross-examine anyone who testifies against him or her.

1.2.13 The Disciplinary Committee (Students) shall keep minutes of the proceedings or ensure that such minutes are kept in a manner that it considers appropriate under the circumstances.

1.2.14 If the Disciplinary Committee (Students) cannot reach a unanimous decision, the decision of the majority of the members shall apply. In the case of an equal vote, the Chairperson has a casting vote.

1.2.15 If so requested by a student who is found guilty, the Disciplinary Committee (Students) must furnish written reasons for its decision and/or disciplinary steps.
1.3 PENALTIES

1.3.1 Upon finding a student guilty and having heard evidence in mitigation, the Disciplinary Committee (Students) may, with due consideration of any guidelines applicable to minimum penalties for particular transgressions as determined by the Council of the University from time to time:

1.3.1.1 reprimand the student;
1.3.1.2 temporarily or permanently deprive the student of a right or privilege which his or her registration as a student at the University entails;
1.3.1.3 impose a fine not exceeding the amount determined from time to time for this purpose by Council, and also order the student to pay an amount which amounts to the actual damage caused by the student;

1.3.1.7 deny the student the privilege of re-registration as a student at the University.

1.3.2 When an appeal against a decision of the Disciplinary Committee (Students) is lodged in terms of paragraph 1.5, the Chairperson, after consulting with the other members of the Committee, may suspend any disciplinary measure imposed by the Committee pending the result of the appeal.

1.4 DISCIPLINARY COMMITTEE (STUDENTS)

1.4.1 The Disciplinary Committee (Students) consists of three members. The members appointed to serve on a specific committee shall be appointed from the ranks of the following categories of persons:

1.4.3 If there are no Constitutional Tribunal judges or such judges are unavailable, the disciplinary investigation may lawfully continue without a representative from the ranks of the judges of the Constitutional Tribunal.

1.5 APPEAL PROCEDURE

1.5.1 A student may appeal against the conviction and/or the disciplinary measures imposed by the Disciplinary Committee (Students) in accordance with the following procedure:
1.5.1.1 The student may appeal to the Appeals Committee of Senate against the conviction and/or the disciplinary measures imposed by the Disciplinary Committee (Students) by lodging a written Notice of Appeal to the Registrar.

1.5.1.2 The written Notice of Appeal shall be lodged with the Registrar not later than ten days after the student has been informed in writing of the finding of the Disciplinary Committee (Students). The Notice of Appeal shall be accompanied by an amount not exceeding R2 000 (Two Thousand Rand) or another amount as determined by Council from time to time, which shall serve as part payment for costs related to the appeal: provided that in deserving cases the Registrar may lower the amount payable or waive the payment at his/her discretion.

1.5.1.3 The grounds of appeal must be furnished in detail in the Notice of Appeal.

1.5.1.4 On receipt of the Notice of Appeal, a copy thereof shall be submitted to the Chairman of the Disciplinary Committee (Students), whereupon the Committee shall prepare a response to the grounds of the appeal within a reasonable time and submit it to the Registrar.

1.5.1.5 The Registrar shall provide the student with the response furnished by the Disciplinary Committee (Students), who in turn may within seven days submit a written replication to the Registrar.

1.5.1.6 The Registrar shall then arrange for the appeal to be heard as soon as possible by the Appeals Committee of Senate.

1.5.1.7 The Appeals Committee of Senate may ratify, alter or set aside any conviction and/or disciplinary measure imposed, which may include the suspension or reduction of or increase in disciplinary measures, and may otherwise make any order which, taking into account the facts of the case, would be just and equitable. Should the Appeals Committee of Senate set aside the conviction and/or disciplinary measures imposed by the Disciplinary Committee (Students), or reduce the disciplinary measures imposed on the student, the University shall repay the amount paid by the student in accordance with 1.5.1.2. above.

1.5.1.8 The appeal shall be adjudicated on the basis of the documentation before the Appeals Committee of Senate and no representation on behalf of any party shall be permitted at the hearing of the appeal.

1.6 APPEALS COMMITTEE OF SENATE
The Appeals Committee of Senate consists of:
1.6.1 the Chairperson of Senate or his or her delegate; and
1.6.2 two permanent academic staff members, one of whom must be a professor in the Faculty of Law: Provided that a staff member who has served as a member of the Disciplinary Committee (Students) in respect of a certain matter, may not serve as a member of the Appeals Committee of Senate in respect of the same matter.
1.7 GENERAL
1.7.1 If the Disciplinary Committee (Students) and/or the Appeals Committee of Senate deprives a student of a right or a privilege that he or she exercises as a student, or temporarily or permanently denies him or her entrance to the University or a University residence, such student shall forfeit all claims to a refund or reduction of or exemption in respect of money paid or payable to the University.

1.7.2 If a student refuses to attend a disciplinary hearing, or where he or she has been absent from such hearing for a second time without the permission of Chairperson of the Committee, the hearing may be continued forthwith in his or her absence in a manner which the Disciplinary Committee (Students) deems appropriate.

1.7.3 If the Vice-Chancellor and Principal is of the opinion that the circumstances of a specific case warrant it, he or she may perform some or all of the actions performed by the Registrar in terms of the Disciplinary Code or, alternatively, he or she may delegate the authority to perform these functions to another staff member of the University.

1.7.4 Nothing in this document shall prohibit the Council of the University from promulgating specific disciplinary codes and procedures for regulating conduct in Residences or in other units within the University where this is necessitated by operational requirements. This Code shall apply in the absence of such measures.

2. IMPORTANT PROCEDURES, REGULATIONS, RULES AND INSTRUCTIONS
It is required of each student to acquaint him- or herself thoroughly with the provisions of the procedures, regulations, rules and instructions of the University with regard to the matters hereafter.

NB: In the case of contraventions ignorance of the above-mentioned regulations will not be accepted as an excuse.

2.1 SEXUAL AND RACIAL HARASSMENT
In terms of its policies on racial and sexual harassment, the University of Pretoria strives towards the establishment of a non-sexist, non-racist, non-discriminatory working, living and learning environment.

Disciplinary steps can be taken against students who commit acts of sexual and/or racial harassment. Upon conviction, such students can be expelled.

Sexual harassment is any conduct with a sexual undertone or suggestion that infringes on a student’s right to a safe, non-intimidating learning and living environment, while racial harassment is described as any humiliating and/or derogatory verbal or non-verbal action which has an explicit or implicit racial connotation or undertone and infringes on a student’s right to a safe, non-intimidating, non-racist learning or living environment.

2.2 EXAMINATIONS, TESTS AND OTHER ACADEMIC ASSIGNMENTS

A. INSTRUCTIONS

1. Students are obliged to positively identify themselves when writing a test and/or examination by means of a valid student card.

2. No person may pretend to be a registered student and/or write a test and/or examination on behalf of a student.

3. No student may enter the test or examination venue later than half an hour after commencement of a test or examination session and no student may leave the test or examination venue earlier than half an hour after commencement of a test or examination session. In the case of computer-based assessment, a student may not enter the venue after the punctual commencement of the test or examination session.

4. Students must immediately and strictly obey all the instructions given by an invigilator.

5. Except for the conditions as indicated in paragraph 8, students may not bring into the test or examination venue or have in their possession any unauthorised apparatus, books, electronic means of communication, or notes of any nature whatsoever or any paper, no matter how small. Mere possession of any of the aforementioned, irrespective of whether the student acted intentionally or negligently or innocently, is regarded as a serious transgression of the rules and subsequently as serious academic misconduct. It remains the student’s responsibility to double-check, prior to the commencement of a test or examination, that none of the aforementioned items are in his/her possession.

6. Students are responsible for providing their own teaching materials and stationery in accordance with the requirements and specifications set by the lecturer concerned. Mutual exchange of such items will not be allowed.

7. Wearing of caps or wide-brimmed hats during examinations and tests is prohibited.

8. Book bags and handbags may be kept with students (ie underneath chairs) during tests and examinations provided that these are not handled by students at all for the duration of the test or examination.

9. It is important that the surname, full names and signature of the student are provided in the relevant space on the test and examination answer script. If so preferred by the student, this information may be treated as confidential by folding and sealing the top portion of the examination and test answer script. The covered portion may only be opened by the examiner if the student number is incorrect or illegible.

10. Once the invigilator has announced the commencement of the test or examination, all conversation or any other form of communication between students must cease. During the course of the test or examination no communication of any nature whatsoever may take place between students.

11. No student may assist or attempt to assist another student, or obtain help, or attempt to obtain help from another student during a test or examination.

12. Students may not act in a dishonest way with regard to any test or examination assessment, as well as with regard to the completion and/or submission of any other academic task or assignment. Dishonest conduct includes, but is not limited to, plagiarism, as well as the submission of work by a student with a view to assessment when the work in question is, with the exception of group work as determined by the lecturer concerned, the work of
someone else either in full or in part, or where the work is the result of collusion between the student and another person or persons.

13. Writing on any paper other than that provided for test or examination purposes is strictly prohibited. Students may also not write on the test or examination paper, except in the case of fill-in and multiple-choice question papers.

14. Rough work should be done in the test or examination answer script and then crossed out. No pages may be removed from the test or examination answer script.

15. Smoking is not permitted in the test or examination venue, and students will also not be permitted to leave the venue during the test or examination for this purpose.

16. Only in exceptional circumstances will a student be given permission to leave the test or examination venue temporarily, and then only under the supervision of an invigilator.

17. Students may not take used or unused answer scripts from the test or examination venue.

18. As soon as the invigilator announces during a test or examination that the time has expired, students should stop writing immediately. In the case of computer-based assessment students should stop working on the computer as soon as the login time has expired.

Please note: Students should take note that, if found guilty of academic misconduct or non-compliance with these rules, a student could, amongst others, forfeit his/her credits for a module and/or be suspended from the University for a period that could range from one year to permanent suspension. Such student’s record will be blocked for the period of suspension and he/she will not be entitled to a certificate of good conduct from the University during this period. Students should also take note that, if found guilty of academic misconduct, it may negatively influence their admission to other universities and/or registration with professional councils. Academic misconduct is indicated in all certificates of conduct provided to students by the University.

B. REGISTRATION FOR EXAMINATIONS

At the beginning of the year, a student indicates on his or her registration form in which modules he or she will be writing examinations. If, however, the student later decides not to write an examination in a module(s), he or she must inform the Student Administration of the faculty concerned accordingly.

C. ADMISSION TO EXAMINATIONS

1. A student is admitted to an examination in a module only if he or she has prepared him- or herself satisfactorily through the proper execution of the work, and subject to other faculty stipulations has obtained a semester/year mark of at least 40%, provided that for all first-semester modules at the 100-level a student must obtain a semester mark of at least 30% in order to be admitted to the examination in the module in question.

2. In the calculation of the year mark, performance in tests and the satisfactory execution of assignments (tasks) are taken into consideration.

3. It is therefore essential that a student attends classes regularly, writes all tests and completes all work assignments. A student who, as a result of
unforeseen circumstances, is prevented from attending classes, writing tests or completing assignments on time, should contact the lecturer(s) concerned without delay in order to make alternative arrangements. Neglect to do so could result in admission to the examination being denied.

4. In the event of illness, a valid and acceptable medical certificate must be submitted to the Student Administration concerned, in addition to making arrangements with the lecturer(s) concerned.

5. The names of students who have not been admitted to examinations are announced by the various departments on the last day of lecturing by means of name lists placed on the departmental notice boards. Students must personally ascertain whether or not they have been admitted to an examination in a particular module.

D. ANNOUNCEMENT OF EXAMINATION RESULTS
Examination results will be made available in the following manner:
- By post
- MTN telephone number 083 123 111
- Departmental notice boards
- Results can also be received via SMS by typing in UP (space) STUDENT NUMBER (8 DIGITS) (space) JUN or NOV and sending it to 35606

E. RE-MARKING OF EXAMINATION SCRIPTS
Re-marking of examination scripts are allowed subject to the following conditions:
(a) A written application for re-marking of an examination script must be submitted within 14 calendar days after the commencement of the ensuing semester at the office of the Head of Student Administration.
(b) The mark(s) awarded after re-marking will be the final result(s), even if it is lower than the original mark(s).
(c) The fee for re-marking each individual script is R240. The fees for re-marking of modules consisting of papers one and two are therefore R480. The money should be paid at the cashiers at the Client Service Centre before the application will be considered.
(d) Should the re-marking result in a pass mark, the student concerned may be refunded the appropriate amount.
(e) Students will not be entitled to an additional supplementary examination by virtue of marks awarded to them as a result of re-marking.
(f) Re-marking results will be made known as soon as possible.

F. TEST INSTRUCTIONS
The examination instructions described in paragraph 2.2.A. 1–18 apply with the necessary changes to tests and practicals.

G. CONDUCTING OF EXAMINATIONS AND TESTS ON SATURDAYS
Due to its extensive test and examination programmes, the University is compelled to conduct some tests and examinations on Saturdays. It is therefore not practicable to accede to requests for special tests and examinations that are exclusively intended to substitute programmes scheduled for Saturdays.
H. **LECTURES AND TESTS**

The attention of lecturers and students is drawn to the fact that lectures may not be cancelled with a view to preparations for Rag or any other activity. However, on the recommendation of Senate, Council has decided to request lecturers not to schedule examinations and tests
(a) from the Wednesday of Rag Week until the first Tuesday after Rag Week;
(b) on Spring Day and the day thereafter; and

Each student is responsible for the safekeeping of his/her student card. A student card may only be used by the registered student to whom the card was issued. A student card may not be abused and care should be taken by the card holder that the card is not used in such a way that it may pose a security risk to the University, i.e. by lending, sharing or giving it to someone else. Should a student no longer be a registered student at the University of Pretoria, the student card issued to that particular student may no longer be used for any purpose whatsoever.

2.8 **OCCUPATIONAL HEALTH AND SAFETY**
All staff members and students of the University must at all times comply with the provisions regarding occupational health and safety as set out in the Occupational Health and Safety Act, Act 85 of 1993, including all rules and work proceedings as set out by the University in the interest of health and safety.

2.9 **SPORTS MEETINGS – CODE OF CONDUCT FOR STUDENT SPECTATORS DURING SPORTS MEETINGS**

   The general premise is that the behaviour of the students of the University of Pretoria shall at all times, i.e. also at any sports meeting – including Intervarsity – be such that the image and good name of the University is not prejudiced. In this regard, an intervarsity is not considered to be an extension of Rag, but an event in its own right with a long and proud tradition.

2. **All sports meetings**
   (a) A student's behaviour shall not be of such a nature that it disrupts or in any way detrimentally affects the normal course of the sports activity in question.

2.11 FIRING OF ROCKETS AND EXPLOSIVES
The use and/or firing of any fireworks, rockets or explosives, of whatever nature, is not only a contravention of the rules of the University, but can also constitute a criminal offence. Contraventions of this nature normally lead to the suspension of the student concerned.

2.12 CARRYING AND STORAGE OF FIREARMS AND DANGEROUS WEAPONS OR OBJECTS
A person is guilty of misconduct if he or she stores on the premises of the University, possesses or controls, a firearm, explosives, explosive device or any other dangerous or potentially dangerous weapon or object without the express prior consent of the Director: Security Services or his authorised representative. I. PROCEDURE IN THE EVENT OF PARKING OR TRAFFIC OFFENCES

1. When the driver of a motor vehicle parks the vehicle contradictory to the University regulations or otherwise commits a parking or traffic offence, an authorised official hands a document to the driver of the vehicle. If the driver is absent, the document will be attached onto the vehicle in a place where it will be clearly visible.

2. In the abovementioned document the offence will be clearly defined and the driver of the vehicle notified that he or she must, prior to a specific date mentioned in the document, pay the amount indicated in the document as a fine at a certain place or to a certain official, or otherwise personally put a written request to the Director: Department Security Services or his representative explaining why
   (a) he or she is not guilty of the offence in question; or
   (b) the amount of the fine needs to be reduced.

3. The driver of the vehicle is also notified in the document of the fact that should he or she fail to react timeously to the notice, the Traffic Tribunal may impose the cost of the tracing fee as well as a fine for no reaction from the alleged offender.

4. A copy of the mentioned document is also made available to the official to whom the fine is to be paid. The official mentioned keeps a register of all parking and traffic offences with complete particulars of fines paid, of any representations relating to offences submitted, as well as the result of such representations.

5. Representations are considered by the Director: Department Security Services.
   (a) The person concerned is notified that a decision has been taken:
      (i) to acquit the person of the full amount of the fine; or
      (ii) to reduce the fine and to allow that payment of the outstanding amount be made on a fixed date; or
      (iii) not to sustain the representations and that the amount of the fine be paid in full prior to a previously fixed date.
   (b) The person is also notified that should he or she be dissatisfied with the result of the representations, a date for a hearing before the Traffic Tribunal may be requested to adjudicate the alleged offence. The person must immediately indicate whether such a hearing would be desirable.
   (c) Should a person request a hearing, a date for the hearing is determined and a document co-signed by the Director: Department Security Services, or an official authorised by him, and the person concerned, is handed to the person. In this document the person is notified of the date, time and place of the hearing of the Traffic Tribunal.
General rules 2013

(d) If a fine is not paid before the date fixed in terms of paragraph I.2 or paragraph I.5(a)(iii), the Director: Department Security Services notifies the Traffic Tribunal.

6. **Traffic Tribunal**
   
   (a) All traffic cases referred to the Traffic Tribunal by the Director: Department Security Services are tried by a Traffic Tribunal which consists of a minimum of two members of the Faculty of Law.
   
   (b) The Traffic Tribunal has the power to
   
   (i) increase or confirm or reduce the fine imposed on a person, and to stipulate that the outstanding amount be paid before a certain previously fixed date;
   
   (ii) acquit a person of the payment of the fine;
   
   (iii) impose a fine to the maximum, as stipulated in paragraph I.7(d), for neglecting to obey an order in terms of I.6(b)(i), or for neglecting to appear in the Traffic Tribunal on a day determined for the hearing, or for any action that amounts to contempt of the Traffic Tribunal;
   
   (iv) charge the tracing costs as well as impose a fine for neglecting to react to the document mentioned in paragraph I.1-4 (the maximum fine is stipulated in paragraph I.7(d)); or
   
   (v) institute legal procedures in terms of the Traffic Tribunal if a person continues to contravene the traffic regulations.

   (c) Procedures in the Traffic Tribunal remain inquisitorial and rules of Law of Evidence do not apply.

   (d) Neither legal representation nor cross-examination is permitted.

   (e) The University authorities are represented by the Director: Department Security Services or a person assigned by him.

   (f) The Traffic Tribunal may give hearing to any witness, at the request of any person concerned.

   (g) In circumstances mentioned in paragraph I.7(a), the Traffic Tribunal may conduct a hearing in the absence of the offender.

   (h) All witnesses are cross-examined under oath or must make a solemn statement to tell the truth.

   (i) The proceedings in the Traffic Tribunal are tape-recorded and are kept in a safe place for one year following the trial.

   (j) The ruling of the Traffic Tribunal can be referred to the Disciplinary Committee on internal appeal within 10 days after the finding of the Traffic Tribunal by submitting the grounds for appeal in writing to the Registrar.

   (k) Unless ordered otherwise by the Traffic Tribunal on a sound basis, the session of the Traffic Tribunal takes place in public.

**Absence**

(a) If a person does not at all react to the document mentioned in paragraph I.1 or on an order of the Director: Department Security Services in terms of paragraph I.5(a) or (b), the Traffic Tribunal may grant a trial to such a person on the basis of a submission by the Director: Security Services, in his or her absence and the powers of the Traffic Tribunal take effect in terms of paragraph I.6.(b). The same procedure applies when a person neglects to appear on the day stipulated for the trial in terms of paragraphs I.5(a)(iii).
(b) When the Traffic Tribunal imposes a fine in terms of paragraphs I.5(a) and I.7(a) in the absence of the offender, a notice is sent to the person by the Director: Department Security Services, in which he or she is informed of the fine imposed on him or her in their absence, and which informs the person that unless he or she is able to provide sound reasons to the Traffic Tribunal on the day, time and place stipulated in the notice, the imposed fine will automatically be confirmed and dealt with as stipulated in paragraph I.7(c).

(c) Any fine imposed in terms of these rules which remains outstanding for a period of 14 days following the day stipulated for payment in terms of these rules, will be charged to the University account or salary of the person and he or she will not receive credit for subjects passed during that year prior to the final settlement of the account.

(d) The amount payable in respect of parking and traffic offences and the maximum fine the Traffic Tribunal may impose in terms of these rules, is stipulated annually by the Vice-Chancellor and Principal in consultation with other members of the Traffic Tribunal but will not exceed R200.

(e) The person in charge of the vehicle at the time of the parking or traffic offence is considered the driver of the vehicle, unless evidence to the contrary is provided.

8. Parking reservation

No parking reservations will be made for individuals. Premises will only be reserved for University activities, such as graduation ceremonies. In the case of bigger events where parking and traffic control arrangements must be made, such a service must be afforded by the institution or department in question, because extra people must be employed at overtime rates. Arrangements in this regard must be made at least two (2) days in advance.

3. TERMINATION OF STUDIES

3.1 A student who decides to terminate his or her studies during the course of the academic year, must notify the University in writing and the notification (on the official form) of the termination of studies must be handed in at the accounts consultants at the Client Service Centre. All changes of modules must be done in writing at the relevant student administration.

3.2 The date on which the University receives the notification from the student will be considered to be the date on which studies are terminated. The burden of proof for the termination of studies or modules rests with the student.

3.3 If a student terminates his or her studies after the first Tuesday in June, or notice to this effect is received by the University after this date, the student shall be considered to have registered for the full academic year and to have failed. It is therefore in the interest of the student to notify the University without delay that he or she is terminating their studies.

4. LANGUAGE OF TUITION

The University uses two official languages, namely Afrikaans and English, in conducting its general business, while Sepedi is being promoted as a language of communication. The language of tuition is either Afrikaans or English or both
languages, taking the demand as well as academic justification and economic viability into consideration. However, it remains a student's responsibility to determine in which language a module and any further level of that module is presented. This information is published annually in the Timetable Book. The University reserves the right to change the language of tuition on short notice, depending on the size of the groups and the availability of lecturers. In respect of administrative and other services, a student may choose whether the University should communicate with him or her in Afrikaans or English. Problems relating to the language of tuition are dealt with in terms of the communication channel applicable to academic issues, as set out in this publication. The Registrar has an overall responsibility for overseeing the implementation of the University's Language Policy.
