

FLY buddy program.

Are you ready
to make
a difference?

Dear student,

As you may know all too well, many students come to UP **unprepared** for what awaits them. The adjustment from school to university is huge and can leave students disillusioned and feeling lost. FLY@UP would like to assist first-year students with their adjustment at UP by providing “**FLY Big Buddies**”.

A FLY Big Buddy will be a **senior student** who can share their experiences of adjusting to university life with new first-year students.

All FLY Big buddies will receive training to assist them in helping/supporting the first-year students they will buddy.

Big Buddies will not be paid but will receive mobile data and coffee vouchers which will enable them to meet and communicate with their buddies. As a Buddy, you will also receive a certificate that you can add to your resume.

Requirements:

A FLY Big Buddy should:

- Be a registered UP student in 2019
- Be willing to spend time each week in the first semester, on buddy duties
- Be willing to meet with their group of buddies twice in semester one
- Be continually in contact with their buddies via a whatsapp group
- Provide regular feedback to FLY@UP
- Have a GPA of at least 55

If you are interested in becoming a FLY big buddy, please complete the application form **before 30 November** by clicking on the following link: <https://goo.gl/forms/Zdo62S5B4cIDfcj11>.

Warm regards,
The FLY@UP team
