Ref.: International FISU Volunteer Programme

Dear friends,

FISU has decided to open the 2016 FISU World University Championships to students from all around the world who want to gain experience and further their organisational abilities. International volunteers will have the opportunity to take part and experience a WUC from inside, working as part of an Organising Committee.

For the first time, FISU is launching the *International FISU Volunteer Programme*. We would very much appreciate if you could help us promoting it through your official websites, social media and by communicating this information to the students of your country.

You can find attached to this letter the Volunteer Programme, a promotional flyer and the registration form. All this information is on the news published today on our official website (www.fisu.net).

May you have any question or need any additional information, do not hesitate to contact us (championships@fisunet).

We are looking forward to see your students at the 2016 FISU World University Championships 2016.

Yours sincerely,

Eric SAINTROND
FISU Secretary General/CEO
