3. Click on the E-Education Self-Paced Academy option.
4. On the next screen, you'll see an option to Enroll in Course: E-Education Self-Paced Academy. Click Submit.
5. You now have access! In the future, you will find this module in your list of courses. Mark it as a favorite for easy access.

## Enhance your teaching skills with self-paced professional development courses designed for academics!

**Turnitin** – Ensure originality and uphold academic integrity with similarity reports and Turnitin's AI Detection tool, designed to identify AI-generated content to inform academic discussions with your students.

**Turnitin Grading & Feedback** – Streamline your grading process with Turnitin's powerful feedback tools, helping you provide clearer, more effective student evaluations.

**Smart Classroom Engagement** – Learn to use PointSolutions for real-time, interactive polling in your classroom. Engage students through mobile participation and leverage instant feedback for better assessment and planning.

**In-Video Assessment** – Enhance your instructional videos by embedding interactive questions using H5P, making learning more engaging and effective for your students.

**Narrated PowerPoint** – Transform traditional slides into dynamic, narrated presentations to create engaging asynchronous learning experiences for your students.
