

11th Flexible Futures 2025

HIGHER EDUCATION INNOVATION CONFERENCE

Navigating the Gen AI Revolution in Teaching and Learning

26 -27 August 2025 | Future Africa Institute, University of Pretoria

Introduction

The University of Pretoria is pleased to invite you to the Flexible Futures Conference 2025, themed “Navigating the Gen AI Revolution in Teaching and Learning,” hosted at the Future Africa Institute on 26-27 August 2025.

This year’s conference invites lecturers, academics, researchers, industry professionals, and innovators to collaboratively explore the role of generative AI in higher education. As AI continues to reshape higher education teaching and learning, we stand at a critical juncture to harness its potential effectively and ethically. Our programme will address critical questions, emerging opportunities, and key challenges through our selected sub-themes:

Key dates for 2025:

- 2 April: Abstract Submission Opens
- 19 May: Online Registration Opens
- 6 June: Abstract Submission Deadline
- 27 June: Notification of Acceptance
- 25 July: Provisional Programme Available
- 12 August: Online Registration Closes
- 26 - 27 August: Conference dates

Themes:

Navigating the Gen AI Revolution in Teaching and Learning.

Sub-themes:

- Innovative Teaching Strategies Using Generative AI
- Human-AI Collaboration: Enhancing Teaching Effectiveness
- Redesigning Curriculum for a Generative AI-ready Generation
- Maximising clickUP Ultra’s Potential with Generative AI Integration
- Best Practices for AI-Augmented Digital Course Design in clickUP Ultra
- Generative AI as a Curriculum Development Partner
- Preparing Graduates for an AI-enhanced Workplace
- Generative AI Tools for Meaningful Assessment Design
- Academic Integrity Challenges in AI-Driven Assessments
- Enhanced Learning Analytics for Proactive Student Support
- AI-Driven Approaches to Gathering and Analysing Student Feedback
- Maintaining the Human Touch in an AI-driven Educational Environment
- The Ethical Use of AI in Higher Education and the Workplace
