Bachelor of Commerce specialising in Financial Management Sciences

Make today matter

What does the programme entail?

The Bachelor of Commerce specialising in Financial Management Sciences degree combines the disciplines of business accounting, financial management, internal auditing and taxation in a single degree with the aim of providing students with more options for further study. The introduction to these disciplines empowers students to choose their field of specialisation at the honours level.

Structure of the programme

Core modules (compulsory)

Note: All first-year students take the compulsory fundamental modules on academic information management and academic literacy for EMS, and all second-year students take the module Introduction to moral and political philosophy.

1st year	2nd year	Final year
<ul style="list-style-type: none"> Financial accounting Financial Management Informatics Statistics Economics Business management Informatics (accounting software) Communication management 	<ul style="list-style-type: none"> Business accounting Financial Management Internal auditing Taxation Financial management Informatics Business law 	<ul style="list-style-type: none"> Business accounting* Financial management* Internal auditing* Taxation*

* Final-year students may choose any three majors.

Who are the ideal candidates?

To be successful in this degree, students need to be:

- Passionate about numbers
- Attentive to details
- Innovative in solving problems
- Analytical
- Able to communicate well
- Good at interpersonal engagements

What makes this programme unique?

This undergraduate degree enables graduates to select one of three specialisations at the honours level. Each of the postgraduate degrees is endorsed by the relevant national or international professional bodies in the field, providing confirmation that graduates will have received the best quality education as required by industry. This paves the way for graduates to pursue various advanced professional qualifications.

Endorsement

The Bachelor of Commerce specialising in Financial Management Sciences degree is endorsed through:

- Association of Chartered Certified Accountants (ACCA)
- Chartered Institute of Management Accountants (CIMA)
- The Institute of Internal Auditors (IIA)
- South African Institute of Government Auditors (SAIGA)
- South African Institute of Chartered Accountants (SAICA) – Associate General Accountant [AGA(SA)] designation

The University of Pretoria is one of only 13 universities in the world recognised as a Centre for Internal Audit Excellence—the highest designation awarded to universities by the International Institute of Internal Auditors.

‘Pursuing my studies in financial management sciences has been a transformative journey, enriching both my academic and professional aspirations. The rigorous coursework continues to hone my analytical skills and deepen my understanding of financial principles, equipping me with the expertise to navigate complex financial landscapes.’

Engaging with dedicated faculty and like-minded peers has fostered a collaborative learning environment, encouraging innovative thinking and practical problem solving. This experience has not only solidified my passion for finance but also prepared me to excel in a dynamic and evolving industry. I am grateful for the knowledge and opportunities this programme has provided thus far and look forward to applying these insights in my future career.’
