UNIVERSITY OF PRETORIA
YUNIBESITHI YA PRETORIA

Are you a creative thinker? 
Would you like to contribute to the
betterment of society and its environment?

Q+ARCH online

If you answered “YES” to the two questions above, and you study Mathematics and Physical Science at school, you may be interested in our annual Q+ARCH ONLINE information session about our **BACHELOR OF SCIENCE IN ARCHITECTURE DEGREE**

WHEN? 08:30 - 10:00 on Saturday 4 June 2022

WHO? Prospective students interested in commencing studies in architecture and who meet, or will meet, the minimum requirements for admission, as well as their parents, guardians and friends are welcome to attend.

HOW? A live online session will be hosted on the University of Pretoria's Blackboard Ultra online platform. The session will cover information about the Department of Architecture and our academic programmes, how to apply for admission to BSc Architecture, our selection process, as well as a Q+A segment.

HOW CAN I REGISTER TO ATTEND? Attendance is free but prior registration is required. You can register to attend at <https://bit.ly/QandArch2022> before 1 June 2022. You will receive a link to the online session and other relevant information via email before the event.

WHAT ARE THE MINIMUM REQUIREMENTS FOR ADMISSION TO THE BSC ARCHITECTURE PROGRAMME? They are:

- A National Senior Certificate (NSC) or Independent Examination Board (IEB) Admission Point Score (APS) of 27 out of a possible 42 (based on end-of-year Grade 11 results for matriculants, final Grade 12 for past matriculants);
- and matriculation exception for admission to bachelor's degree studies;
- and a minimum of 60% (achievement level 5) in **English** (as Home or First Additional Language);
- and a minimum of 50% (achievement level 4) in **Mathematics** and **Physical Science** (i.e., Physics and Chemistry).
- Details for learners following other school qualifications are available from <https://bit.ly/2023Admission>.

WHERE CAN I FIND MORE INFORMATION? Basic programme information is available at <https://bit.ly/BScArch2022>; alternatively contact Dr Nico Botes at arch@up.ac.za.

Did you know that school subjects such as Engineering Graphics and Design (EGD), Art or Design are **NOT** required to study architecture?
