## Personality Assessment

**Instructions:** Your focus in taking this survey is to select your instinctive behaviour and not what you perceive is the best response. There are no right or wrong answers.

**How to respond:** Rank each horizontal row of words on a scale of 4, 3, 2, 1, with 4 being the word that best describes you and 1 being the least like you. Use all rankings in each like only once.

Below is an example:
