## JuniorTukkie is excited to launch its new e-learning platform! junortukkie.online

Watch this space – jTOnline has a lot more to offer!

The new JuniorTukkie Online platform has been established to provide opportunities with significant benefits to learners from Grade 10 to Grade 12. The overwhelming success of JuniorTukkie's online Winter School for Grade 12 learners and the Summer School for Grade 11 learners resulted in the decision to develop the new JuniorTukkie Online platform, in collaboration and with the financial support of **UNICEF** and **Investec**. On this platform learners will access key learning resources in order for them to better understand the subject material, giving them a significant advantage in preparing for their examinations.

**JuniorTukkie Online** allows for flexible study! JT makes it possible for you to work at times that are convenient for you and in your own comfortable and safe learning environment. Just think about it: You can study on your terms, while knowing that your learning is directly applicable to your future study and career goals!

### CLICK

Opportunities to improve your marks in Mathematics, Physical Sciences, English, Accounting and Life Sciences is just one **click** away! You will be in the hands of highly experienced teachers who present these online classes to learners in Grade 10, 11 and 12.

### CONNECT

Several enrichment programmes as well as life skills sessions in creativity, critical thinking, decision making, mathematical reasoning, time management, communication and collaboration, among others, will prepare you to **connect** with a world of opportunities.

### STEP UP

JuniorTukkie Online will help you to take that **step UP** to the next phase in your life. Make full use of the faculty information provided on the jTOnline platform on programmes, admission requirements, career advice and much more and you will experience a smooth transition from being a school learner to becoming a confident University of Pretoria (UP) student. JuniorTukkie helps you to Step UP - #ChooseUP!

## Become a JuniorTukkie Club member (For Grade 9 to 12 learners)

Register at [www.up.ac.za/juniortukkie](http://www.up.ac.za/juniortukkie) > 'Become a JuniorTukkie'

The JuniorTukkie programme provides a wide variety of services to learners such as first-hand information on study and career options, the development of leadership qualities, life skills, study skills, engagement in community projects, and many more. JuniorTukkie offers its members the opportunity to attend events and those who qualify\*, will be invited to attend any of the following events:

- Preparation Conference for Grade 12 learners;
- Faculty information sessions for learners and their parents (Health Sciences: Grade 12 AND Veterinary Science: Grade 10, 11 and 12);
- Grade 10 Walk-the-Talk Day; and
- Information sessions for Grade 9, 10 and 11 learners and their parents.

*\*Terms and conditions apply. Note that all events are subject to COVID-19 regulations.*

The JuniorTukkie Application Form has now been integrated with the University of Pretoria's application system. It means that, if you are a JuniorTukkie member and you are ready to apply for admission to study at UP in your Grade 12-year, you will only be required to update your information, upload the required documents and submit your UP study application.

Assistance will be provided from the JuniorTukkie Office. Send an email to [carol.bosch@up.ac.za](mailto:carol.bosch@up.ac.za) to make an appointment with a Student Advisor.
