## Why should you excell academically?

- Admission to programmes is dependent on academic achievement.
- Grade 11 and 12 marks determine your admission to programmes.
  - Grade 11 marks when you apply in Grade 12
  - Grade 12 marks when you apply during a gap year
- Achieve according to your potential.
- Tuks receives more than 43 000 applications annually for first-year studies and can only accommodate 10 500 first-year students.

## How to decide on a cool career?

- It is important to decide on a career before you make a decision about a programme.

**NOW YOU ARE READY TO  
DECIDE ON A programme !**

## How do I get into a programme?

## What are the two sets of requirements for university entrance?

1

NSC

IEB

2

University-specific

Faculty-specific

## NSC/IEB requirement

1

- The NSC/IEB is a 130-credit certificate rated at level 4 by the National Qualification Framework (NQF).

6 x 20-credit subjects	120 credits
1 x 10-credit subject (Life Orientation)	10 credits
<b>Total</b>	<b>130 credits</b>

- To obtain entrance to an institution of higher education, Higher Education South Africa (HESA) requires an NSC where the learner offers at least seven subjects:
  - **Four compulsory subjects:**  
Home Language, First Additional Language, Mathematics OR Mathematical Literacy, Life Orientation
  - **Three choice subjects** from the designated subject list (20-credit subjects)

## 1 NSC/IEB requirement: University access

- To obtain university entrance for degree purposes HESA requires a NSC with an achievement rating of at least **4 (50-59%) in four recognised NSC 20-credit subjects** from the designated list.

Accounting Agricultural Science Business Studies Economics Consumer Studies History Dramatic Arts Languages Visual Arts Mathematical Literacy	Geography Mathematics Information Technology Religion Studies Life Sciences Music Physical Science Engineering Graphics and Design
--	--

Please take note that Life Orientation is the only 10-credit subject.

## University/faculty-specific requirements **2**

### Calculation of the Admission Point Score (APS)

- The calculation of an Admission Point Score (APS) is based on a candidate's achievement level in six recognised 20-credit subjects (including subjects from the non-designated subject list, eg CAT, Tourism, Hospitality Studies and Civil, Electrical & Mechanical Technology, etc).
- Take note that Life Orientation is excluded when the APS is calculated because it is a 10-credit subject.
- The calculation of the APS is done on a 7-point rating scale:

Achievement	Achievement level	Marks
7	Outstanding achievement	80-100%
6	Meritorious achievement	70-79%
5	Substantial achievement	60-69%
4	Adequate achievement	50-59%
3	Moderate achievement	40-49%
2	Elementary achievement	30-39%
1	Not achieved	0-29%

## **2** Faculty-specific requirements

### Minimum admission requirements

- Meet ALL admission requirements to be admitted to a programme
  - Subject requirements
  - Admission Point Score (APS) requirement
- Example:

programme Duration Closing date Careers	Minimum requirements for 2015									
	Achievement level								APS	
	Afrikaans or English				Mathematics					
	NSC/IEB	HIGCSE	AS-Level	A-Level	NSC/IEB	HIGCSE	AS-Level	A-Level		
BCommunication Pathology (Audiology) [4 years] Closing dates: SA – 30 June Non-SA – 30 June	5	3	C	C	4	3	D	D	30	

**Careers:** Audiology, Audiometry and hearing therapy, work in education and special education, hospitals, clinics, rural communities or in private practices.

APS Conversion Table											
APS	NSC	SC HG M-Score	SC SG M-Score	HIGCSE / NSSC HL	IGCSE / GCSE / NSSC OL / O-Level		AS- Level	A-Level	IB HL	IB SL	APS
					GR 11	GR 12					
10								A	7		10
9											9
8								B	6		8
7	7 (80-100%)	A		1	A		A	C	5	7	7
6	6 (70-79%)	B	A	2	B		B	D	4	6	6
5	5 (60-69%)	C	B	3	C	A	C	E	3	5	5
4	4 50-59%	D	C		D	B	D		2	4	4
3	3 (40-49%)	E	D	4	E	C	E		1	3	3
2	2 (30-39%)	F	E		F	D/E				2	2
1	1 (0-29%)	G	F		G	F/G				1	1

### Mathematics or Mathematical Literacy?

If you have the potential to pass Mathematics,  
go for it!

**BUT**

if there is any chance that you may fail  
Mathematics, rather consider taking  
Mathematical Literacy

**BECAUSE**

it can still give you access to excellent  
study/career opportunities

**IN**

the Faculties of Education, Humanities,  
Theology, Law and the School of Information  
Technology.

## What are the differences between selection and open programmes?

### Selection programmes

- Early closing dates: 31 May and/or 30 June
- Academic selection based on school results
- Additional selection criteria, eg NBT, Value-added Questionnaire, portfolio's, etc
- Selection process and provisional admission only **after closing date**

### Open programmes

- **L a t e r c l o s i n g d a t e s**
- Academic selection based on school results
- Selection process and provisional admission start **on receipt of application**

## What is an extended/four-year programme?

**These are programmes that you can apply for if you do not meet all the minimum admission requirements for a specific programme.**

**Offered in the following faculties:**

- Engineering, Built Environment and Information Technology  
ENGAGE programme
- Natural and Agricultural Sciences  
BSc (Four-year programme) – Biological and Agricultural Sciences  
BSc (Four-year programme) – Physical Sciences  
BSc (Four-year programme) – Mathematical Sciences
- Economic and Management Sciences  
BCom (Four-year programme)
- Humanities  
BA (Extended programme)
- Veterinary Science  
BVSc (Extended programme)

**To be considered for the ENGAGE programme, you must write the NBT.**

## What is the National Benchmark Test (NBT)?

# NBT

Book a date and venue at [www.nbt.ac.za](http://www.nbt.ac.za)

**AQL**

**Academic Literacy and Quantitative Literacy**  
1 multiple choice test/3 hours

**MAT**

**Mathematics**  
1 multiple choice test/3 hours

The NBT is compulsory for admission to some selection programmes and the ENGAGE programme. However, it is strongly recommended that all applicants should write the NBT.

# How to apply at Tuks

## Are you ready to apply at Tuks?

- Ensure that you apply as early as possible, especially if you wish to apply for residence placement.
- Apply online at [www.up.ac.za/apply](http://www.up.ac.za/apply) or download an application form from [www.up.ac.za/apply](http://www.up.ac.za/apply).
- Copies of the following documents should be uploaded:
  - A c o p y o f y o u r I D
  - A copy of your Grade 11 final examination report
  - Proof of payment of the R300 application fee
- Paper application forms should be handed in at the CSC or posted to the University of Pretoria.

**You may follow the progress of your application online on the UP Student Portal (Student Centre) at:**  
[www.up.ac.za](http://www.up.ac.za) > MyTUKS login

## JuniorTukkie

The JuniorTukkie programme of the Client Service Centre at the University of Pretoria has been established to assist learners in Grades 10, 11 and 12 to make responsible study and career choices. JuniorTukkie also develop important skills in order to better equip these learners for the challenges they may face as a student in their personal capacity as well as professionally. The JuniorTukkie programme provides among others, a wide variety of services to learners and students such as first-hand information on study and career options, develop leadership qualities, life skills, study skills, engage in community projects, and many more.

## Faculty of Humanities

Fakulteit Geesteswetenskappe  
Lefapha la Bomotheo

**The Faculty attracts academics and students who are passionate about the human sciences and the contribution these sciences make to society.**

**Die Fakulteit lok akademici en studente wat passievol is oor die geesteswetenskappe en die bydrae wat hierdie wetenskappe tot die samelewing lewer.**

[www.up.ac.za/humanities](http://www.up.ac.za/humanities)

November 2015

## Why study Humanities at UP / Waarom Geesteswetenskappe by UP studeer

- Established more than 100 years ago, the Faculty of Humanities at the University of Pretoria has extensive experience in providing undergraduate and postgraduate courses in a wide range of disciplines in the languages, arts, and the social sciences.
- The Faculty is one of the oldest and most respected Humanities faculties in South Africa.
- The Faculty currently offers 13 language programmes. The Faculty believes firmly in the value of languages and multilingualism.
- The Faculty is very proud of its success in offering students the type of education that enable them to lead successful and fulfilling lives anywhere in our constantly changing and globalising world.

## Programmes and interesting career paths in languages, social sciences and the arts

## Programme en interessante loopbaangeleenthede in tale, sosiale wetenskappe en die kunste

## BA modules

The following modules can be studied towards a **BA Degree or as electives for other programmes**  
Die volgende modules kan studeer word om 'n **BA-graad te behaal of as keusemodules by ander programme**

Afrikaans

Dutch / Nederlands

English / Engels

Zulu, Ndebele, Sepedi

French / Frans

German / Duits

Portuguese / Portugees

Spanish / Spaans

Latin / Latyn

Classical Greek / Klassieke Grieks

Classical Hebrew / Klassieke Hebreeus

Language, Culture and Communication / Taal, Kultuur en Kommunikasie

Translation Studies (can apply for this at beginning of third year) / Vertaalkunde (kan aansoek doen aan die begin van die derde jaar)

UNIVERSITEIT VAN PRETORIA  
UNIVERSITY OF PRETORIA  
YUNIBESITHI YA PRETORIA

## BA modules continued / vervolg

Ancient Culture Studies / Antieke Kultuurstudie  
 Archaeology / Argeologie  
 Anthropology / Antropologie  
 Criminology / Kriminologie  
 Drama and Film Studies / Drama- en Filmkunde  
 Heritage and Cultural Tourism / Erfenis- en Kultuurstudie  
 History / Geskiedenis  
 History of Music / Musiekgeskiedenis  
 International Relations / Internasionale Verhoudinge  
 Philosophy / Filosofie  
 Political Science / Staatsleer  
 Politics / Politiek  
 Psychology / Sielkunde  
 Social Work Theory (only at first-year level) / Maatskaplike Werk Teorie (slegs op eerstejaarsvlak)  
 Sociology / Sosiologie  
 Sport and Leisure in Society / Sport en Vryetyd in die Samelewing  
 Sport Coaching Sciences / Sportafrigtingwetenskappe  
 Sport Management / Sportafbestuur  
 Sport Psychology / Sportsielkunde  
 Visual Communication / Visuele Kommunikasie  
 Visual Culture Studies / Visuele Kultuurstudies

UNIVERSITEIT VAN PRETORIA  
 UNIVERSITY OF PRETORIA  
 YUNIBESITHI YA PRETORIA

## BA modules continued / vervolg

### Modules from other faculties / Modules uit ander fakulteite

Economics / Ekonomie  
 Education / Opvoedkunde  
 Geography / Geografie  
 Information Science / Inligtingkunde  
 Mathematics / Wiskunde  
 Public Administration / Publieke Administrasie  
 Religion Studies / Godsdienststudies  
 Statistics / Statistiek

#### Note

- Many of the careers listed under the specialised programmes are open to graduates with a BA degree.
- Employers are often more concerned with how well applicants have done in their studies than with the combination of courses they have studied.

#### Neem kennis

- Baie van die loopbane genoem onder die gespesialiseerde programme is oop vir gegradueerdes met 'n BA-graad.
- Neem ook kennis dat werkgevers dikwels meer besorg is oor hoe goed aansoekers in hulle studies gedoen het as met die kombinasie van kursusse wat hulle studeer het.

Fakulteit Ingenieurswese, Bou-omgewing en  
Inligtingtegnologie / Lefapha la Boetsenere,  
Tikologo ya Kago le Theknolotši ya Tshedimošo

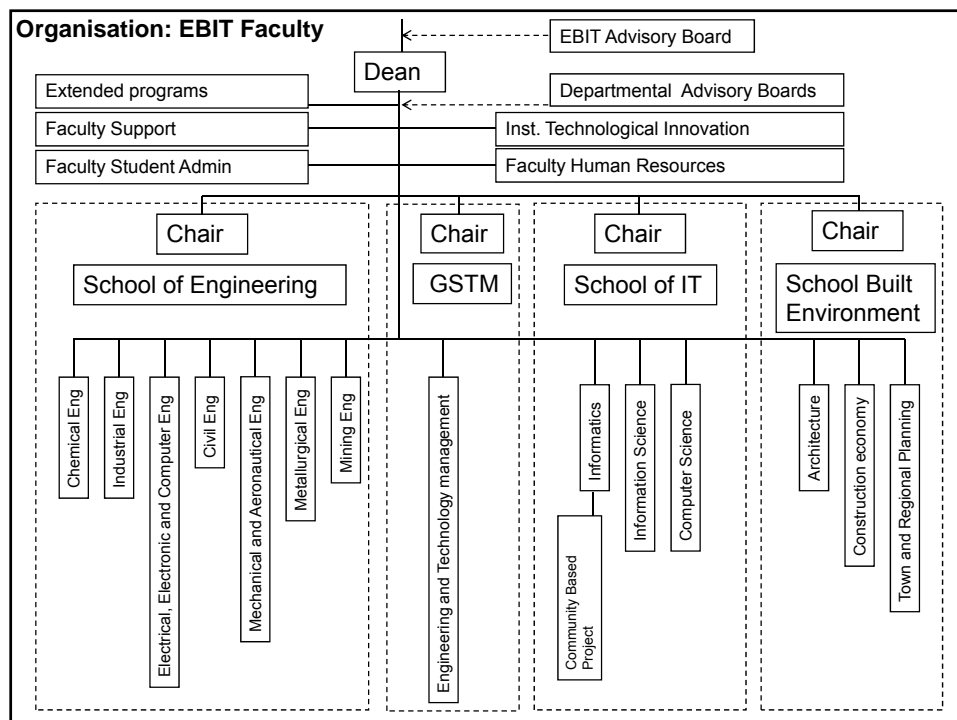

**School advisors / Skole-adviseurs**

**FACULTY OF ENGINEERING,  
BUILT ENVIRONMENT AND IT**

**Prof. Sunil Maharaj and Prof. Josua Meyer**

5 November 2015

## Programmes offered by the Faculty

- Most programmes have set curricula designed to educate students for a profession
- Critical thinking: Research as a tool
- Minimum requirements in terms of the following:  
Mathematics, Physical Sciences and Language abilities
- We would like to accommodate all students that meet the entry requirements, but... capacity constraints in terms of facilities and staff
- We also accommodate students with potential but who need some additional development and support to meaningfully participate in our programmes
  - Extended programmes in Engineering:  
ENGAGE Program in Engineering

## Admission

- Programmes require mathematics, physical sciences and language skills on a high level
- High requirements for automatic admission
- NBT test required for additional evaluation for admission of deserving students
- We aim to admit qualifying students
  - Limited spaces
  - Admission competitive
  - Architecture: more intensive evaluation process for admission

#### TOP 100 OCCUPATIONS IN HIGH DEMAND IN SOUTH AFRICA

Engineering in a very competitive space!

### Recent developments

- Exxaro Chair in Energy Efficiency
- CBI Chair in Power Electronics
- ATNS Research Cooperation
- African Centre of Excellence for Information Ethics
- Chair in Rock Mechanics – Harmony
- Rand Water Chair in Civil Engineering
- Rand Water Chair in Mechanical Engineering
- MoU with MHSC on Training and Research

## Chemical Engineering Expansion

### Recent developments

- Sedibeng Water Chair in Water Utilization Engineering
- SARCHI Chair in Advanced Sensor Networks
- CSIR Chair in Aeronautics (first in SA)
- Eskom Chair in Plant Asset Management
- DoE renewal of SANEDI Energy Hub
- Sentech Chair in Broadband Wireless Comms. (4 years)
- SA's first conduit Hydropower Pilot Plant at Bloem Water (96kW)
- Kumba Virtual Reality Mine Design Centre

Africa's first virtual reality mine design centre

## Virtual Reality Mine Design Centre

## Leading Minds: Internationally competitive

- Ranked in the top 1 % in the world (Thompson Reuters)
- ECSA accreditation
- Washington Accord recognition
- other signatories:
  - Australia, Canada, Chinese Taipei, Hong Kong
  - China, Ireland, India, Korea, Malaysia, New Zealand, Russia, Singapore, Sri Lanka, Turkey, United Kingdom, United States

## CDIO Initiative

### Conceive, Design, Implement, Operate

International initiative started by MIT, Chalmers, Linköping, and Royal Institute of Technology

#### Overall goals

- master a deep working knowledge of technical fundamentals
- lead in the creation and operation of new products and systems
- understand the importance and strategic value of their future research work

#### CDIO Standard No 6

Workspaces and laboratories that

- support and encourage hands-on learning of product and system building,
- disciplinary knowledge and
- social learning

## Engineering Augmented Degree Programme (ENGAGE) Design Principles

- Support students in making the transition from school to university
- Maintain high student workload
- Increase volume of work over time
- Decrease support over time
- Begin with familiar subjects
- Excellent results achieved with up to 20% increase in success rates

### ENGAGE

Curriculum expanded and spread over one extra year  
For underprepared but talented students

## All students participate in a Community-based Project

UNIVERSITEIT VAN PRETORIA  
UNIVERSITY OF PRETORIA  
YUNIBESITHI YA PRETORIA

## Excellent facilities

Engineering 1, 2, 3  
Modern Laboratories  
Engineering Study Centre

### Engineering 3

2013 Winner of prestigious South African Property Owners  
Association (SAPOA) Innovative Excellence Awards

UNIVERSITEIT VAN PRETORIA  
UNIVERSITY OF PRETORIA  
YUNIBESITHI YA PRETORIA

### Engineering Study Centre

Study and group work facilities for  
 $\approx 800$  students

### Mining Industry Study Center

### AGILENT CAEC LABORATORY

- in 2013 it was recognised as the largest lab. of its kind in the world.

## Vehicle Stability: Automotive Research Group

## Non-invasive condition measurement of railway tracks

**Vehicle/Track  
Interaction**

# School for the Built Environment

## School for the Built Environment Departments:

- Architecture
- Construction Economics
- Town and Regional Planning

## DEPARTMENT OF ARCHITECTURE

### Programmes:

- Architecture
- Interior Architecture
- Landscape Architecture

**Design and realisation of space require science and creativity**

- Offers a formal training that is academically and theoretically grounded and technologically informed.
- The graduates are highly regarded, both locally and abroad.
- Only full-time study

#### UNDERGRADUATE

- BSc(Arch); BSc(Int); BSc(Larch) – 3 year min

#### POSTGRADUATE

- BArch(Hons); MArch(Prof) – 1 year min
- BInt(Hons); MInt(Prof) – 1 year min
- BL(Hons); ML(Prof) – 1 year min

## Department of Construction Economics

- Construction Managers
- Quantity Surveyors
- Property Practitioners
- Project Managers

## Programme Courses

- **3-year BSc in Quantity Surveying/Construction Management/Real Estate**
- **2-year Honours following the BSc degree**
- **Masters in:**
  - Real Estate
  - Quantity Surveying
  - Construction Management
- **PhD**

## **What is a Construction Manager?**

**Construction managers are business people who work as:**

- Contractors
- Project managers, and/or
- Property experts in the built environment

## **What is a Quantity Surveyor (QS)?**

**The QS is an independent professional consultant**

- who acts in co-operation with, among others, the architect, consulting engineers and the contractor
- to promote the financial interests of the building client.

## What is a Real Estate Practitioner?

**Real Estate Practitioners are involved in**

- property investment
- property finance, and
- facilities management

Career opportunities encompass the whole spectrum of the property sector

## What is Town and Regional Planning?

**Town and regional planning deals with, amongst**

**others:** The layout, design and management of urban spaces

- Development, housing and infrastructure
- The integration of transport and land-use
- Rural and informal settlement regeneration
- Physical, social, economic and environmental sustainability
- Planning for the future of cities and regions

## What is Town and Regional Planning?

Planning can be on the level of...

- A single site or erven
- A neighbourhood
- C i t y / m e t r o
- A district or region
- Or even on a provincial, national and supranational level

## Why is Town and Regional Planning important?

- To respond to local urbanisation pressures
- To respond to global pressures
- To ensure healthy, safe and meaningful places to live
- To manage conflicting needs and preferences
- To address our mistakes of the past

 UNIVERSITEIT VAN PRETORIA  
 UNIVERSITY OF PRETORIA  
 YUNIBESITHI YA PRETORIA

### What type of person makes a good town and regional planner?

- **Someone who is...**
  - Creative and innovative
  - A strategic thinker and problem solver
  - Able to reconcile conflicting needs and views
  - A good negotiator and manager
  - Sensitive to social, political and environmental issues

## School of Information Technology

Degrees offered:	
<input type="text"/>	
<b>School of Information Technology</b>	<ul style="list-style-type: none"> <li>• <b>Bachelors in Information Technology (BIT) – the BIT is changing!</b></li> </ul>
<b>Computer Science</b>	<ul style="list-style-type: none"> <li>• <b>BSc (Computer Science)</b></li> <li>• <b>BSc (Information and Knowledge Systems)</b></li> </ul>
<b>Informatics</b>	<ul style="list-style-type: none"> <li>• <b>BCom (Informatics)</b></li> </ul>
<b>Information Science</b>	<ul style="list-style-type: none"> <li>• <b>B.IS with specialisation in Multimedia</b></li> <li>• <b>B.IS with specialisation in Information Science</b></li> <li>• <b>B.IS with specialisation in Publishing</b></li> </ul>

## Department of Computer Science

- A **BSc(Computer Science)** degree provides breadth and depth in computing skills.  
It equips students with problem-solving abilities.
- A **BSc(Computer Science)** degree will enable graduates to write software in a variety of contexts, thus they will be able to find employment in diverse environments in many different IT organisations
- The **BSc(IT)** degree prepare students for pursuing a career in the IT industry.
- Computer science has a multidisciplinary application domain and the purpose of this degree is reflected in the composition of the curriculum by combining the field of computer science with other fields.

## Department of Informatics

- **BCom (Informatics)** studies the application and use of the computer and information systems within the organisation.
- The superiority of our students lies in their broad background in the field of **economic** and **management sciences**, which implies that the world of business is not strange to them.
- The Informatics specialist has the knowledge to analyse the information needs of organisations, be it businesses, government departments, non-profit organisations or any other organisation where information is crucial.
- The **BCom (Informatics)** degree offered by the University of Pretoria is the only degree in South Africa that is internationally accredited by the Accreditation Board for Engineering and Technology (ABET) of the USA.
- Career opportunities: System Analyst, Information Facilitator, Systems Developer, Business System Analyst, etc.

## Department of Information Science

- BIS Information Science
- BIS Publishing
- BIS Multimedia

## Department Information Science

- **BIS(Information Science)** is the ideal degree for students who want to be part of the international information society, buy and sell information, develop information systems, and manage information products and services – also in cyberspace.
- The increasing amount of information available and growing information needs have necessitated the training of information intermediaries to facilitate effectively the bringing together of users and the information they require.
- This package is designed to train students in the management, retrieval and organisation of information, as well as to teach them to add value, package and distribute information.
- Career opportunities: Information and Knowledge Manager; Chief Information Officer; Information Broker; Information Analyst, etc.

## Publishing

**BIS (Publishing)** aims to:

- provide students with knowledge of the publishing process and key role-players, as well as trends and initiatives in the local and international publishing industry
- provide students with the skills needed to perform specific tasks related to the publishing process
- assist students to become responsible information intermediaries
- enable students to add value to the production and dissemination of books and corporate publications; and
- make students aware of the social, ethical and legal responsibilities involved in the publishing process.

Publishing career opportunities: Magazine editor, copy-editor, Corporate publisher, Book designer, etc.

## Multimedia

- **BIS Multimedia** is ideal for students who like to work with a computer, like programming, are interested in creating computer games, want to develop websites for the corporate environment, and want to learn how to make moving graphics and animation.
- Information can be communicated through various media, such as printed text, text with images, photographs, video, sound and animation.
- The goal of the Multimedia degree is to provide students with the theoretical and technical know-how to build information products that use a variety of media and delivery systems (networked based technology, cellular platforms, information kiosks, CD-ROM, DVD, etc.
- Multimedia career opportunities: Programmer, Web designer, Video editor, Electronic artist, etc.

## SOME OF OUR RECENT ACHIEVEMENTS

## **A new platform is established to measurably improve the delivery of capital infrastructure projects in South Africa**

The South African Chapter of the Construction Industry Institute (CII) (first one in Africa) was launched in EBIT at the Graduate School of Technology Management at the University of Pretoria on 21 May 2015. Local collaboration with this international consortium of more than 140 leading owner, engineering-contractor and supplier firms in the construction industry, based at the University of Texas, Austin, will measurably improve the delivery of capital facilities in South Africa. Almost R800k is available for SA research project with industry.

Jack van der Merwe (Guest Speaker), Dr Stephen Mulva, Associate Director CII USA and Dr Giel Bekker, UP)

## **USA DoE Delegation visits EBIT to discuss collaboration on Energy research and joint projects in South Africa**

- A delegation from the Dept. of Energy, USA visited the EBIT Faculty on 1 June with SANEDI representatives.
- Ms Sheila Moynihan (4<sup>th</sup> from left)(Senior Advisor, International: Energy Efficiency and Renewable Energy Office, U.S.A. Department of Energy) and Mr Bipin Shah (2<sup>nd</sup> from left)(Consultant to the USA Department of Energy) led the delegation.

## Department of Construction Economics signs a MOU with the Australian Institute of Building

- The University of Pretoria (**first in Africa**) recently signed a memorandum of understanding with the Australian Institute of Building (AIB) with the aim of establishing closer cooperation between the two organisations in an effort to enhance the professionalism of builders, construction managers, academics and graduates in the profession of construction management in Australia and in South Africa.
- The MoU was signed by Mr Norman Faifer, National President of the AIB, and Prof Tinus Maritz, Head of the Department of Construction Economics at UP, on 17 April 2015 at the Pan Pacific Hotel in Perth, Australia.

## Hydropower project in Bloemfontein – SA's first

- EBIT - Civil Engineering demonstrated the first innovation in Small Conduit Hydropower project in South Africa at BloemWater where 96kW of power green power is generated using gravity flow of water into the Brandkop Reservoir in Bloemfontein.
- Project sponsored by WRC

**Minister Nomvula Mokonyane, with the WRC CEO and EBIT team at launch of the Project in Bloemfontein**

## **CSIR-UP Chair in Aeronautics – first in South Africa**

- A Chair in Aeronautics was established in the Department of Mechanical Aeronautical Engineering on 20 January 2015
- L-R: Prof Laurent Dala (CSIR Chair in Aeronautics holder), Dr Kaven Naidoo, CSIR-DPSS, with the Dean and the HOD.

## **Our vision**

- ✓ To educate professionals to the highest standards to position them for leading roles in their professions
- ✓ To significantly contribute to research and development to enhance our competitiveness
- ✓ To develop a sense of community and social responsibility in our students

**We strive to learn to adapt to the dynamic environment!**

## RELIGION STUDIES

Role of religion in society

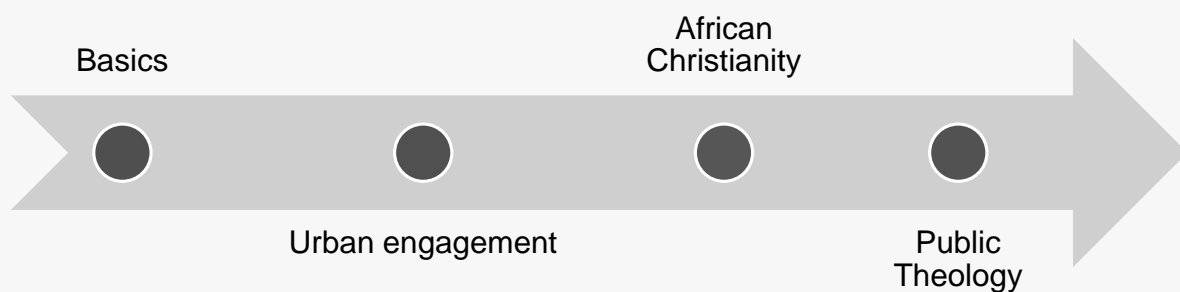

Equip with knowledge

Respect for 'other' & 'own'

Develop skills:

- Tolerance
- Dialogue
- Critical thinking

## FOCUS AREAS FOR THE FUTURE

# FACULTY OF VETERINARY SCIENCE

---

## PROGRAMMES TO BE OFFERED IN 2015 / 2016

- BVSc (Bachelor of Veterinary Science)  
– 6 years

- DVN (Diploma in Veterinary Nursing) – 2 years
- BVN (Bachelor of Veterinary Nursing) – 3 years (In development)

- Honours programmes
- Master programmes (MMedVet / MSc)
- Doctoral programmes (PhD / DVM)

## CAREER OPPORTUNITIES

- Private practice (companion animals like dogs, cats and other exotic pets)

## CAREER OPPORTUNITIES

- Mixed practice (companion animals, livestock, wildlife, exotics, etc.)

## CAREER OPPORTUNITIES

- State veterinary services (diagnosis, surveillance, monitoring, control, prevention, eradication of diseases, export/import, food safety and security)

## CAREER OPPORTUNITIES

- Private, state and provincial diagnostic laboratories (pathology, clinical pathology, microbiology, toxicology, etc.)

## CAREER OPPORTUNITIES

- Veterinary public health (abattoirs, milk processing plants, veterinary public health – zoonosis)
- Research (veterinary, agriculture, biomedical, etc.)
- Laboratory animal science (welfare of laboratory animals)
- Wildlife management (ranching, conservation and zoological institutions)

## CAREER OPPORTUNITIES

- Academia (veterinary, medical, agricultural and natural science faculties)
- Commerce, consultancy, animal welfare, and many more...

## SELECTION CATEGORIES: BVSc & DVN

- A: School leavers
- B: Students with previous higher education experience
- C: Bursary students
- D: International students
- E: Discretionary students

## SELECTION CRITERIA: BVSc

(6 years / 7 years if selected into the Extended programme)

- School leavers:
  - APS 30 or 31 (*Extended programme in Mamelodi for 1 year; Eng/Maths/Sci >50%*)
  - APS 32 and higher (*Grade 11 marks; Eng/Maths/Sci >60%*)
  - National Benchmark Test
  - Value-added Form
  - Closing date for applications: 31 May 2016
- BVSc should be indicated as first choice

## SELECTION CRITERIA: DVN

(2 year programme)

- School leavers:
  - APS 24 (*Grade 11 marks; English/Mathematics/Physical Science/Life Science >50%*)
  - National Benchmark Test
  - Value-added Form
  - Closing date for applications: 31 May 2016

DVN should be indicated as first choice

## QUESTIONS & COMMENTS

**TuksLaw**

- ▶ A Global Law Faculty in Africa
- ▶ 'n Wêreldgerigte Regsfakulteit in Afrika
- ▶ Lefapha la Molao wa Kakaretšo ka Afrika

## A Faculty of Excellence

- Nationally and internationally recognised members of staff (NRF ratings) – 2<sup>nd</sup> most NRF rated researchers in South Africa
- Internationally recognised for excellent teaching (recent external reviews)
- TuksLaw graduates preferred employees by top law firms
- Academic support for first year students (“First year experience”, tutors, mentors, Faculty Student Advisor)
- Focus on delivering well-rounded law graduates (academics, leadership skills, cultural diversity, sport and community engagement)

## TuksLaw – the right choice!

- One of South Africa's and Africa's largest and strongest faculties with an excellent international reputation - rankings
- UP and TuksLaw founded in 1908
- Continuously renew our role and preserve our core academic values in a changing society
- Crucial to maintain the highest quality in all our programmes and quality assurance processes are in place to ensure that we retain our reputation for academic excellence
- All classes in English
- We value the contributions of our students, staff, alumni, donors and national and international counterparts in promoting the role of lawyers and the rule of law in our society as a collective effort
- We are satisfied with our continued success and are well prepared for further exciting and challenging developments.

### Some honorary doctorates awarded

Late Former Chief Justice  
of the Constitutional Court  
Arthur Chaskalson

Late Former Chief Justice  
of the Constitutional Court

## Programmes offered by the Faculty of Law

### Undergraduate

- LLB

### Postgraduate

- LLM/MPhil Coursework
- LLM/MPhil Research
- LLD/DPhil

## Faculty houses six academic departments:

- C H R
- Jurisprudence
- Mercantile Law
- Private Law
- Procedural Law
- Public Law

UNIVERSITEIT VAN PRETORIA  
UNIVERSITY OF PRETORIA  
YUNIBESITHI YA PRETORIA  
Faculty of Law

## The Faculty promotes

- Academic excellence
- Experiential learning
- Leadership development
- Community engagement
- Cultural diversity & mutual understanding
- Participation in sport

## Encouraging and recognising academic excellence

- Annual Recognition of Achievement
- Prizes and awards
- Merit certificates
- Scholarships and bursaries
- Dean's Merit List
- Tutors
- Academic associates

## Experiential learning through:

- Service at the Law Clinic
- 'Law and the Community' elective
- Participation in moot courts
- Trial advocacy training
- Educational excursions, etc.

## Unequalled victories in SA in recent years - Moot court competitions and training

## Leadership development

- ◆ Class Representatives
- ◆ Constitutional Tribunal
- ◆ Law House
- ◆ Legal Shebeen
- ◆ Moot Society
- ◆ Pretoria Student Law Review
- ◆ Student Disciplinary Advisory Panel

## Serving the community – Law Clinic

## Serving the community – Centres for Child Law And Human Rights

## Career counselors' visit

5 November 2015

## Facts about the Faculty of Economic and Management Sciences

- The Faculty offers a comprehensive portfolio of 20 undergraduate, 100 postgraduate study programmes and six postgraduate diplomas.
- The Faculty continuously strives to strengthen its position as the leading institution in the fields of economic, financial and management sciences through its academic and research excellence.
- Various programmes offered by the Faculty are nationally as well as internationally accredited.
- The minimum duration of study of a BCom / BAdmin degree is three years.

## More facts about the Faculty of Economic & Management Sciences

- High premium is placed on the preparation of a new generation of entrepreneurs
- Internationally competitive
- Programmes meet the highest standards
- National and international accreditation
- Language policy: Afrikaans and English

## Why study at the Faculty of Economic and Management Sciences?

- A world-class research and teaching faculty
- Diverse academic talent
- A nationally as well as internationally preferred partner through excellence in research and education
- Passionate about developing the person as a whole

## Nationally and Internationally accredited study programmes

Nationally accredited	Body
BCom (Accounting Sciences)	SAICA
BComHons (Accounting Sciences)	SAICA
BCom (Human Resource Management)	SABPP
Internationally accredited	Body
BCom (Supply Chain Management)	CIPS (in process)
BCom (Investment Management) (recognised partner programme)	CFA Institute
BCom (Internal Auditing)	Institute of Internal Auditors Centre of Excellence
BCom (Financial Management)	Certified Institute of Management Accountants

Higher Certificate in Sport Science (Coaching/Education) [1 year]	Eng/Afr 4	-	-	15

### NATIONAL BENCHMARK TEST ([www.nbt.ac.za](http://www.nbt.ac.za))

#### COMPULSORY

- ☐ All learners in matric or applicants who have completed matric with no previous university exposure are required to write the NBT
- ☐ Register online at [www.nbt.ac.za](http://www.nbt.ac.za)
- ☐ Write test not later than 11 July
- ☐ For selection purpose the results of the first NBT wrote will be taken into account
- ☐ Write all three tests on the same day
  - AL – Academic literacy
  - QL-Quantitative literacy
  - Maths – Mathematics
- ☐ Results are sent directly to university.

## VALUE ADDED FORM (VAF)

- ☐ **Leadership**  
Leadership positions held(Head boy/girl, Deputy head boy/girl, prefect etc).
- ☐ **Sport**  
Participation in sport and level (School, Region, National or Provincial).
- ☐ **Cultural**  
Participation in cultural and/or social clubs (chess, choir member, orchestra, debate, drama)(sport excluded)
- ☐ **Community service**  
Worked in public or private hospitals/practice (Cansa, orphanage, etc.)

### How to access the FAV online

- ✓ Applied to be considered;
- ✓ Comply with the minimum subject and level requirements;
- ✓ Application processed by faculty;
- ✓ Registered as a user on the student service centre portal;
- ✓ Access to complete form online

## PROVISIONAL SELECTION

- ☐ **Final Grade 11 average (LO, Add Math excl.)**  
The sum of the 6 subjects, including English, Mathematics and Physical Science/Life Science (Sport sc) is calculated.
- ☐ **Results attained in the National Benchmark Test (NBT)**
- ☐ **Value Added Form (VAF) score**

### Ranking

A Merit Point Score(MPS) is used for ranking applicants from highest to lowest.

**Provisional** offers are made to the top candidates up to or surpassing the allocated number

**Wait listed candidates** is identified from the group of candidates with the next highest score on the merit list. Waiting list remains active until the first week lecturers start.

Unsuccessful applicants during the first round of selection in August will not be reconsidered when final matric results are announced.

## Calculation of Merit Point Score (MPS)

### School of Medicine

#### MBChB

MPS = Grade 11 avg (60%) + NBT avg (40%) = MPS

VAF = 40 marks

#### BCMP

MPS = Grade 11 avg (50%) + Significant subject score\*(30%) + Suitability and Equity score (20%)

\*Significant subject score= English + Maths + Phys Sc + Life Sc) /4

#Suitability and equity score = Calculated from biographical information considering parameters such as rural origin and schooling, home circumstances and others.

## Calculation of Merit Point Score (MPS)

### School of Medicine

#### BSport Science (NEW)

MPS = Grade 11 avg (60%) + NBT avg (40%) + 10% of the VAF

#### HCertificate Sport Science (NEW)

Option: Sport coaching

Otion: Education

MPS = Grade 11 avg( 55%) + Grade 12 sport achievement (45%)

\*Students who have been nominated by an official Sports club of the University receive preference

### School of Dentistry

#### BChD

MPS = Grade 11 avg (60%) + NBT avg (40%) = MPS

VAF = 40

#### BOH

MPS = Grade 11 avg (60%) + NBT avg (40%) = MPS

## Calculation of MPS continue

### School of Healthcare science (BPhysio, BRad, BOT, BDiet)

MPS = Grade 11 avg (60%) + NBT avg (40%) + 10% of the VAF

### BNursing

MPS = Grade 11 avg (60%) + NBT avg (40%) + 10% of the VAF ) and structured interview. The MPS and interview are each weighted 50%.

## Midyear selection from BSc to Medicine or Dentistry (Selection takes place in June/July)

MBChB - 30 places

BChD - 5 places

Register for any BSc Biological Sciences study programme with the following subjects:

- ☐ Chemistry
- ☐ Physics
- ☐ Molecular and cell biology
- ☐ Science and worldviews
- ☐ People and their environment
- ☐ Medical terminology

Pass all prescribed subjects. No previous registration at a university. Selection based on academic performance only.

Note: Due to the structure of other disciplines it is not possible to apply for second semester. BSc 4 year students do not qualify for midyear intake due to structure of the programme. Midyear option only applicable to Medicine and Dentistry.

## **2. BSc 4 year programme (Selection takes place in August based on first semester results)**

MBChB - 20 places available

BChD - 5 places available

No places reserved for other disciplines

### **First year**

- Provisional selection based on successful completion of the first semester. Merit score is calculated using the exam results attained in June.
- Second semester results confirm provisional offer.
- Subjects will NOT be exempted. Students start medicine first year the following year.
- Students are considered once in this category after which they will be considered in the university exposed category (category open to students from other universities, faculties and degrees).

## **FIRST OR SECOND CHOICES OPTIONS**

### **Only first choice applications will be considered**

MBChB

BChB

Boral Hygiene

BOccTherapy

Bphysiotherapy

BRadiography

### **First and second choice applications will be considered**

BClinical Medical Practice

BDietetics

BNursing

BSports Science

Higher Certificate in Sport science

(Option: Sport coaching /Education)
