UNITED KINGDOM: Commonwealth Master's Scholarships 2022

The Commonwealth Scholarship Commission in the UK (CSC) is offering full scholarships to South African students to undertake full-time taught Master's studies at a UK university.

Commonwealth Master's Scholarships enable talented and motivated individuals to gain the knowledge and skills required for sustainable development, and are aimed at students who could not otherwise afford to study in the UK.

Candidates are selected on the basis of merit and their potential to contribute to the needs of their home countries.

The Department of Higher Education and Training (the Department) is the Nominating Agency for South African citizens who wish to apply for this scholarship. Final selection of candidates will be made by the CSC.
