RESEARCH DEVELOPMENT PROGRAMME (RDP) 2019: ROUND 2

APPLICATION DEADLINE
4th October 2019

BACKGROUND

The University of Pretoria Research Development Programme (RDP) is a programme that provides seed research funding to new researchers seeking to establish their research career. Financial assistance is granted annually on a competitive basis to academic staff members who are at the beginning of their research careers, or to newly appointed established academics for a period of one year. Applicants should take note of the University of Pretoria strategic goals and priorities and endeavour to align their applications with these. This programme is managed by the Department of Research and Innovation (DRI) at UP.

Training is available to assist applicants to apply via the online application system.
