

**University of Pretoria
Student Representative Council 2017/18**

YEARLY REPORT

Name: Jodie Chikowi		Portfolio: Postgraduate and International student affairs		Time Frame: September 2017 – December 2018
Project:	Timeframe	Action/Activities	Outcome/Achieved Results	Recommendations
International orientation	21 st January -13 th July	On International welcoming day introduce the international students to the SRC and to various portfolios highlighting the services we can provide to them.	International first years and foreign exchange students begun to take an interest in activities that would help integrate them into student life in South Africa ensuring they would more at home and welcomed.	Engage with the international office to advertise STUKU, rag and other TUKs events on click up page Email international first years list of the various societies with the details of the chairperson

Postgraduate EC positions	1 st February – 1 st October	Evaluate current postgraduate representation in each faculty Evaluate issues of postgraduate students in specific faculties Create postgraduate EC position responsibilities based on general cross faculty issues identified Ensure EC position is fully functioning by 1 st October	The student governance constitution has been amended to allow for a postgraduate EC position in each faculty Faculty are currently alining to the amended student governance constitution	Due to unforeseen circumstances in planning phase, there were no elections for the postgraduate EC position this year, therefore I recommend that measures be taken to ensure the EC position is fully functional next year
International day	Jan 1 st – 16 th October	Day celebration of international diversity on campus	Proposal waiting to be approved by the UP executive	-
ISASA connection		Connection established, organisation further built, conference hosted by the university of pretoria	UP has a strong relationship with the national association	-
Mentoring of international students		Mentorship program established and ran in conjunction with UPI	Outcome achieved	-
