YEARLY REPORT
Drafted by: Miss Therese Rodink
In his/her capacity as: Sport Representative

| Name: Therese Rodink | | Portfolio: Sport | | Time Frame: September 2017 – December 2018 |
|--------------------------------|------------------|---|---|---|
| Project: | Timeframe | Action/Activities | Outcome/Achieved Results | Recommendations/Implications for Policy/Practice) |
| Inclusive Sport Events | October 2017 | I engaged with all the clubs at TuksSport that offer sports for residences and proposed that we include both faculty houses and societies in all sport events hosted by the Student Sport Committee with TuksSport. | It was decided that they would be allowed and thereby I was able to involve a lot more day students in student life activities. | Implication for practice: Societies should appoint a sport representative |
| Food Drive with Faculty Houses | October 2017 | The SRC worked with faculty houses for our first Food Drive. I attended multiple camp pout sessions to motivate students who can to donate. | The faculty houses really marketed well and we filled a whole room inn Roosmaryn with food. | Involve staff in the Food Drive. |

| | | | | |
|--|------------------------|---|--|---|
| 16 Days of activism: City Security & SRC's in Tshwane colloquium | 7 December 2017 | I attended the colloquium at Tshwane house with a few other SRC members to discuss security issues that we face at UP, possible solutions that can be implemented and how The City can help keep our students safe. | We received information from SAPS and were able to start building a relationship that can be fruitful in the future. | |
| Help Desk | January 2018 | I was assigned to our enrolment's division of the SRC help desk, where we had to work with Student Administration to try and find enrol students who have not yet done so due to various reasons. | I alone was able to enrol at least 10 students in various programmes. | I recommend that the incoming SRC also work with a similar system of: enrolments, study finance & residences to ensure optimal outcome for the SRC help desk. |
| Rag of Hope Day | 10 February | The SSC and I facilitated the sports for the Rag day. I also helped at the SRC stall for fundraising when I could. | We helped Rag implement a new tradition and the SRC stall money went to study finance. | SRC Stalls can be done at more events of Rag, Stuku and SSC to raise funds. |
| Timetable Meeting | 9 March 2018 | I attended a Timetable Council Meeting with Aaron Masemola to decide on the new calendar to be put forward to Council for approval. | We made sure that a student's view was also taken into account with important dates. | |
| Food Drive | March - | As part of the food drive team, I drafted the letters to be sent out to possible sponsors, drove to sponsors to ask for assistance as well as follow up on assistance promised. We worked with faculty houses, staff and students to involve everything in helping hungry students on campus. We teamed up with YASCOM to for this venture. | We managed to raise a lot of non-perishables for hungry students. | Present the food drive as a competition between departments etc – then people feel more inclined to donate. |
| Graduation | April, May & Sept 2018 | I attended various graduation ceremonies on behalf of the SRC to officiate. | | |
| Increased support at Sport Events | Feb – Oct 2018 | The SSC and I used various platforms for marketing any sport events. We used social media, posters in residences as well as the activations on campus run by TuksSport. | More students were aware of games and attended. | |

| | | | | |
|-------------------------------|-----------------|--|---|---|
| Ministerial Indaba | 30 June 2018 | I was part of the SRC Team that went to the Ministerial Indaba with Mrs Naledi Pandor at UJ. | | |
| SSC Constitutional Amendments | Aug – Sept 2018 | I was in charge of the SSC Constitutional Amendments and worked together with the Constitutional Tribunal to make a few very needed adjustments. A change that was made was a separating the SSC Ex-officio portfolio | The SSC would be able to function more efficiently. | Implications for practice: actively participating societies are also now included in voting for the SSC EC. |
| | | from any other portfolio to make that person more available in his/her role on the SRC because my time was limited due to my other portfolios on the SSC. | The SSC ex-officio would be able to help out the SRC more as well as the other portfolios on the SSC when needed. | |
| TuksSport Representative | Aug – Sept 2018 | I realised that there was a need for students to know more about all the sports TuksSport has on offer and how to become part of a club. Therefore, I suggested that a new portfolio: TuksSport Rep be implemented on the SSC EC during constitutional amendments. | Students would be able to know about when trials are for teams, membership fees, who to contact etc. | |
| Handover Training | Oct 2018 | Working with the new SSC ex-officio to received proper handover training of what is expected in this role. | Sport Rep 2019 would know what is expected and who to approach for what. | |

I, Therese Rodink, in my capacity as the SRC Sport Representative hereby confirm the contents of this report as a true reflection of the action(s)/activities(s) that were completed during my SRC Term of Office for the 2018 Academic Year.
