

BCom (Accounting Sciences)

Programme	Minimum requirements for 2017								APS
	Achievement level								
	Afrikaans or English				Mathematics				
	NSC/ IEB	HIGCSE	AS- Level	A- Level	NSC/ IEB	HIGCSE	AS- Level	A- Level	
BCom (Accounting Sciences) [3 years] Closing dates: SA – 30 September Non-SA – 31 August	5	3	C	C	6	2	B	B	34

Please note: Mathematical Literacy is not accepted.

Careers: First step towards qualifying as chartered accountants and other categories of accountants, financial managers, internal auditors, bankers, cost and management accountants, taxation practitioners and advisors and credit controllers.

Chartered Accountants are employed as Chief Executive Officers (CEOs), as Chief Financial Officers (CFOs) and as Auditors registered with the IRBA (RAA's). The designation of CA(SA) offers those in this field great financially rewarding careers and offers international job opportunities since it is recognised globally.

Please note that the programme is presented in both English and Afrikaans up to postgraduate level.*

Let asseblief daarop dat hierdie program, tot op nagraadse vlak, in beide Afrikaans en Engels aangebied word.*

* This may change / Hierdie kan verander

Students of the University of Pretoria consistently achieve an excellent pass rate in the difficult national Chartered Accountants' examination (ITC) as can be seen from these figures:

How do you become a Chartered Accountant in South Africa?

Academic component		Training component
Year 1 to 3	Year 4	Year 5 to 7
BCom (Accounting Sciences)	PG Dip [#] (Accounting Sciences) and Certificate in the Theory of Accountancy (CTA)	Training Contract <i>To be completed in public practice, commerce and industry, financial services or the public sector.</i>
Professional examination 1		Professional examination 2

The CA(SA) designation is sought after and offers great financial rewards. Over and above the prestigious CA(SA) qualification, the 3-year BCom (Accounting Sciences) degree provides access to the following BCom Honours degrees (subject to selection):

- BComHons (Financial Management)
- BComHons (Internal Auditing)
- BComHons (Taxation)

Although the above programmes do not provide access to the CA(SA) qualification, they also provide access to the professional qualifications mentioned under the BCom (Financial Sciences) programme.
