BAdmin (Public Management and International Relations)

This programme undertakes a scientific study of the managerial and administrative functions performed in the public sector. It further aims to capacitate students to participate in and contribute to managerial functions through policy-making, human resource management, organisational restructuring and ensuring accountability.

Who is the ideal candidate?

People who have the desire, commitment and dedication to serve their community, their city and/or their country. People who believe in and want to be part of the moral and legal obligation that the state has towards creating a better life for all.

What makes this programme unique at UP and/or in SA?

This is the only programme in the Faculty that combines public sector management with specialisations such as politics and international relations. The composition of the programme not only exposes students to the management environment within both the public and private sectors, but enhances their understanding of what it means to be a good and responsible citizen. The quality of the teaching and research at UP is excellent.

The School of Public Management and Administration at the University of Pretoria is one of the best institutions in offering public sector education in South Africa and on the African continent.
