

Fees 2017

Once an applicant has registered at the University, a detailed statement of tuition fees will be made available on the Student Portal. (Self-service, Finance tab)

Tuition fee quotations are available to students as a self-help function.

- On the UP web, click My TUKS login
- Login on the UP Student Portal
- Enter the Student Centre
- Click the Student Finances tab, again Student Finances tab on the next page and you will find the option fee estimation - quotation
- The system will allow academic plan (for most postgraduate studies) and module selection options for undergraduate studies and some post graduate studies (See Faculty yearbook for codes)
- Complete the required fields
- Use the plus (+) button to add modules or the minus (-) button to remove modules
- Click the Generate Quote button to view, save or print the quotation
- All major banks may accept the quotation for loan applications, but will still require a proof of registration before the loan is paid out
- Your proof of registration will be issued after registration and in most cases your account will be generated and available on the Student Portal 24 hours after registration
