- General: Early Childhood Education (09261601)

A. Requirements for admission

A candidate can be admitted if he/she holds the following qualification:

- i. an MEd degree or another qualification considered equivalent by the Dean; and
- ii. has achieved a mark of at least 60% for the master's dissertation.

B. Selection procedure

Selection is based on:

- i. meeting the minimum academic requirements required for admission;
- ii. previous academic performance;
- iii. applicable academic and/or teaching background;
- iv. availability of supervision for the required research project;
- v. proven academic potential which may include academic communication and computer application skills;
- vi. additionally, an interview may be requested;
- vii. the requirements of professional registration bodies;
- viii. the discretion of the head of department.

C. Duration

Students who register for a doctorate must complete their studies within three years after first registering for the degree.

D. Package coordinators
