*The University of Pretoria offers an extensive range of postgraduate study options, including vocationally orientated postgraduate diplomas, honours, master's and doctoral degrees.*

### Why choose UP to study towards a postgraduate degree?

- We are leaders in quality education delivered by a talented bank of educators.
- We produce research that is relevant and has an impact.
- We co-create new knowledge through collaboration and partnerships.
- We develop graduates that are well-rounded individuals, socially responsible citizens, and highly employable.
- We offer the best FLYHIGHER@UP academic support which improves postgraduate success rate.

### Tips on applying for a postgraduate degree

- Read up on your faculty website on programme requirements.
- Make sure you have all the information about your study programme.
- Go to [www.up.ac.za/online-application](http://www.up.ac.za/online-application) to apply.
- Complete the application form at [www.up.ac.za/apply](http://www.up.ac.za/apply).
- Familiarise yourself with funding opportunities and apply concurrently with your UP application.
- Don't forget to apply for postgraduate residence!

### POSTGRADUATE DIPLOMA – ADVANCED DEVELOPMENT

**Entry requirements:** A bachelor's degree (need not always be from the same discipline)

**Duration:** One year, full-time study.

### HONOURS DEGREE – YOUR GATEWAY TO POSTGRADUATE STUDIES

**Entry requirements:** A bachelor's degree.

**Duration:** One year, full-time study.

### MASTER'S – ADVANCED RESEARCH-BASED DEGREES

**Entry requirements:** A relevant honours degree or postgraduate diploma. A relevant bachelor's degree at NQF level 8 may also be recognised.

**Duration:** Two to three years, full-time study.

*A master's degree by dissertation* – acceptance of a dissertation or other form of research such as a technical report, one or more creative performances or works, or a series of peer-reviewed articles or other research-equivalent outputs.

*A master's degree by coursework and mini-dissertation* – a research project comprising a minimum of 60 credits at NQF level 9, culminating in the acceptance of a mini-dissertation or other forms of research (mentioned above).

### PhD (A DOCTORATE) – MOST ADVANCED RESEARCH DEGREE

**Entry requirements:** A master's degree.

**Duration:** Three to four years, full-time study.

Requirements to be awarded your doctorate: Acceptance of a doctoral thesis, an original piece of work that contributes substantially to knowledge in the chosen field.
