Bachelor of Education in Intermediate Phase Teaching

Make today matter

The Bachelor of Education in Intermediate Phase Teaching programme consists of fundamental, core and elective modules that prepare students to teach effectively in multilingual and multicultural classrooms.

Who are the ideal candidates?

Individuals with a passion for learners and learning should apply for this degree programme. Successful candidates should be dedicated and hardworking, and passionate about teaching and learning.

Career opportunities

Teachers and training officials at primary schools.

Structure of programme

Core modules

- Education
- Learning support
- Professional studies
- Research methodology
- Teaching practice
- Conversational competence in an African language

Elective modules

- One language elective up to second-year level:
- One of four African languages/English/Afrikaans
- Mathematics (an achievement level of at least 4 in the final NSC/IEB examination is required)
- Geography/History
- Art education
- Natural sciences and design and technology
- Life orientation and human movement studies

What makes this programme unique?

The Bachelor of Education in Intermediate Phase Teaching degree programme qualifies successful candidates to teach a language and another subject/learning area.

Since in any classroom languages serve as conduits/mediums through which effective communication is conducted, the language elective will give the beginner-teacher the edge in providing quality education in the classroom.
