Baccalaureus Educationis Honores in Educational Psychology (BEdHons)

This programme focuses on strengthening the knowledge and skills of teachers and others working in related fields, to be sensitive to the psychosocial needs within the school environment. Although this qualification will enable students to apply for the MEd in Educational Psychology, it is an academic programme and does not lead to registration as professional counsellor or psychologist.

A. Requirements for admission

A Bachelor's degree from a recognised university with:

- i. Psychology III
- ii. Education III or Pedagogics IV

B. Selection procedure

Selection is based on:

- i. meeting the minimum academic requirements required for admission;
- ii. previous academic performance;
- iii. applicable academic and/or teaching background;
- iv. availability of supervision for the required research project;
- v. proven academic potential which may include academic communication and computer application skills;
- vi. additionally, an interview may be requested;
- vii. the requirements of professional registration bodies;
- viii. the discretion of the head of department.

C. Duration

The programme extends over one year full-time or two years part-time. Please note that classes will be presented every Friday from 15:00 if the full-time option is chosen or every second Friday from 15:00 if the part-time option is chosen.

Package coordinator:

Dr AH du Plessis
