6. FREQUENTLY ASKED QUESTIONS

Question	Answer
1. I don't have an Honours in Tourism. Can I still apply?	Should you hold another Honours degree, with the required subminimum of 60-65%, you can apply. Such candidates will be required to write an admissions exam.
2. I live too far from Pretoria to attend the contact sessions. Will I be able to register for the degree?	It is a requirement that you attend regular contact sessions throughout the first year of study. It will thus not be possible to enrol for the Masters specialising in Tourism Management if you cannot attend the research methodology classes in the first year.
3. Do I have to write an admission examination before I will be able to register for the degree?	Applicants may be expected to complete the department's internal admissions examination.
4. I have a BTech degree in tourism. Will I be allowed to register?	A BTech degree is at NQF level 7 and thus not sufficient as you require an NQF level 8.
5. I am an international student. May I apply to be admitted?	International students (with any prior qualifications obtained at a non-South African University) must have their qualifications evaluated by the South African Qualifications Authority (SAQA). Contact SAQA at http://www.saqa.org.za/ . <i>Please note that contact sessions are compulsory, and are hosted on the UP Hatfield campus in Pretoria.</i>
6. I work full-time. Will I be able to apply for the programme?	Most of the students enrolled for the Masters programme work full-time. It is the responsibility of the student to make arrangements with their employer in reference to leave for attending classes and other important course events.
7. I don't have the required average of 60-65% for my Masters degree, but I have several years of experience in the tourism industry. Can I enrol?	The average for the preceding Masters degree is the minimum academic requirement and applications that do not meet this requirement will not be successful, regardless of working experience.
