DETAIL GUIDANCE ON POSTGRADUATE SELECTION REGULATIONS AND
APPLICATION PROCEDURE FOR THE **PHD SPECIALISING IN TOURISM
MANAGEMENT**

The detail selection guidance set out below, should be read in conjunction with the Postgraduate Selection Regulation contained in the postgraduate yearbook of the Faculty of Economic and Management Sciences.

The **minimum selection requirements** of the PhD specialising in Tourism Management are the following:

- A Bachelor's degree
- A research-based Master's degree (e.g. MCom/MPhil) [A research-based Master's degree assigns majority of the credits to the research project]
- Master's degree with a Tourism focus is preferable
- Students should have obtained at least 60% for their Master's degree to be considered for admission to the programme.

NOTE: It is a requirement that all provisionally admitted Doctoral students write a research proposal and present their proposals at a Doctoral Colloquium by the end of the first year following their application to the Department's Doctoral programme. In addition to other requirements specified in this document, the Department's postgraduate committee will, based on selected students' research proposals and presentations, decide which students will be allowed to continue with the Department's Doctoral programme.

1. MAXIMUM NUMBER OF STUDENTS ADMITTED PER YEAR, DIVERSITY CONSIDERATIONS AND RESEARCH FOCUS AREAS

Due to physical and human resource constraints, the number of students admitted each year will be determined by the available supervision capacity in the Department (including students who are already admitted to the Department's Doctoral programme).

The **research focus areas** of the department are the following: e-tourism, corporate & business tourism, incentive travel, niche tourism, destination accessibility, destination marketing, sport tourism, tourist behaviour, events, ecotourism, sustainable tourism, community-based tourism.

2. SELECTION PROCESS

Prospective students who meet the requirements set out in the introductory paragraph of this document will be invited to an **entrance exam**. A minimum of 65% must be achieved in the entrance exam to be considered for the Doctoral programme. Selection is based on academic merit only and students will be selected in descending order.
