➤ Postgraduate registration 2024#:	by end Mar 2024

* **Please note:** Only candidates with a **completed-UP application for postgraduate study** in 2024 will be considered for selection. The Department reserves the right to request a selection interview if deemed necessary. The Department may decide to shortlist candidates for if and when places become available at short notice. All shortlisted candidates will receive final notification of acceptance by 11 January 2024.

Please note: Access to electronic resources, such as ClickUP and the UP library, can only be activated after registration. Hence, delays in registration will result in a delay in access to these important resources. We therefore kindly request that persons admitted to the Hons programme please finalise registration **before the end of January 2024**.

Application Process:

- (1) Please **apply for postgraduate study** as follows:
 - (i) Internal UP students: apply through your current Student Portal (no-walk ins)
 - (ii) External non-UP Students: apply at <https://www.up.ac.za/online-application>
- (2) Please **send an email** to biochemhons@up.ac.za to indicate you have applied. Include student number in the subject line.
- (3) Please email a **full, up-to-date academic record** after **ALL 3rd year marks are available** to biochemhons@up.ac.za. Note that 2nd round applications will not be processed based on 1st and 2nd year marks only.
- (4) All applications received, but not provisionally accepted during the first round, will automatically be included for consideration during the second round in November. Please do not re-apply.
- (5) Please ensure that **personal contact details** (email and cell number) are updated regularly and correct at the time of your application.
