

Ms Serrah Vilane, SPMA alumni was recently appointed as municipal manager of Midvaal Local Municipality. Ten years after completing her first qualification from the Tshwane University of Technology, she decided to resume her studies by enrolling for the BA Public Administration Option with the University of Pretoria. Despite a hectic work schedule as a senior government official, being a mother and a wife, she managed to complete the programme in the allocated time with distinction. She then went on to enrol for a post graduate programme with the University of Stellenbosch (2017) which she also completed in record time, cum-laude. In 2018 she enrolled for a Masters degree in Public Administration with SPMA at the University of Pretoria. She will enrol for her PhD in 2021.
