

# Do you have Type 1 diabetes?

## We need your help!

We don't know how many people there are with Type 1 diabetes in South Africa, where they are, or if they're getting the care they need.

Please take part in this study so that we can build a map of Type 1 diabetes in South Africa.

All you  
have to do is  
answer these  
questions:

# Het jy Tipe-1 diabetes?

## Ons benodig jou hulp!

Ons weet nie hoeveel Suid-Afrikaners Tipe-1 diabetes het, waar hulle is, en of hulle die nodige sorg ontvang nie.

**Neem asseblief aan hierdie studie deel sodat ons 'n kaart van Tipe-1 diabetes in Suid-Afrika kan teken.**

Al wat jy moet doen is om dié vrae te beantwoord:

# Ingaba unesifo seswekile soluhlobo

## Sidinga uncedo lwakho!

Asazi ukuba bangaphi abantu  
abanolohlobo lokuqala lwesifo  
seswekile eMzantsi Afrika, apho  
bakhoyo, okanye ukuba bafumana  
inkathalo abayidingayo.

Nceda uthathe inxaxheba  
kolu phando ukuze sakhe  
imephu yohlobo lokuqala  
lweswekile Emzantsi Afrika.

Konke okufuneka  
ukwenze  
kukuphendula  
le mibuzo:

# O na le lefu la tsoekere la Mofuta oa pele?

**Re hloka thuso ea hau!**

Ha re tsebe hore na ho na le batho  
ba bakae ba nang le lefu la tsoekere  
la Mofuta oa pele Afrika Boroa,  
hore na ba hokae, kapa hore na ba  
fumana tlhokomelo eo ba e hlokang.

**Ka kopo nka karolo phuputsong  
ena hore re tsebe ho aha mapo  
oa lefu la tsoekere la Mofuta  
wapele Afrika Boroa.**

Seo u hlokang  
ho se etsa feela  
ke ho araba  
lipotso tsena:
