Southern Africa Mathematical Sciences Association Annual Conference

University of Pretoria, South Africa, 21-24 November 2023

The Department of Mathematics & Applied Mathematics and the Department of Statistics at the University of Pretoria, will co-host the annual SAMSA conference from the 21st to the 24th of November 2023 at the Future Africa Campus, University of Pretoria. Being South Africa's administrative capital, the city of Pretoria hosts all foreign embassies to South Africa. It is also a major academic city and centre of research, being home to four public universities and two public research institutions. It is served internationally by the main international airport in South Africa as well as high speed train services from the airport. The objectives of SAMSA include fostering the research and the teaching of Mathematical Sciences in Southern African countries and beyond. This conference will present an avenue for upcoming and established researchers to learn, network and present new provoking ideas and problem solving techniques.
