### International Conference on Mathematical Methods and Models in Biosciences

## Faculty of Natural and Agricultural Sciences

Fakulteit Natuur- en Landbouwetenskappe Lefapha la Disaense tša Tlhago le Temo

# CUTTY SARK HOTEL, SCOTTBURGH (DURBAN) SOUTH AFRICA 16-21 JUNE 2024

The annual international conference on Mathematical Methods and Models in Biosciences Biomath 2024 is devoted to recent research in life sciences based on applications of mathematics as well as mathematics applied to or motivated by biological studies. It is a multidisciplinary meeting forum for researchers who develop and apply mathematical and computational tools to the study of phenomena in the broad fields of life sciences including biology, ecology, medicine, biophysics, biochemistry, pharmacokinetics, biotechnology, or bioengineering.

Plenary Speakers. The following experts have confirmed their availability as plenary speakers: Ding-Geng Chen (Arizona State University, USA), Samuel Clark (Ohio State University, Ohio, USA), Boseung Choi (Korea University Sejong Campus, Republic of Korea), Abba Gumel (University of Maryland, USA), Natalia Komarova (University of California, Irvine, California, USA), Jae Kyoung Kim (KAIST, South Korea), Ursula Scharler (University of Kwazulu-Natal, South Africa), Sivabal Sivaloganathan (University of Waterloo, Ontario, Canada)

**Participation:** Follow the conference website: https://www.up.ac.za/cf-biomath2024. Financial support for postgraduate students and emerging researchers will be available upon application.

### **Important Dates and Deadlines**

- 31 March 2024: Deadline for registration, application for support & submission of abstracts
- 5 April 2024: Outcome of applications
- 16 21 June 2024: Conference!

#### **Contacts:**

- 1. Jacek Banasiak (jacek.banasiak@up.ac.za)
- 2. Michael Chapwanya (m.chapwanya@up.ac.za)
- 3. Roumen Anguelov (roumen.anguelov@up.ac.za)
