- The **Interview** will take place in-person at the Visual Arts Building on Hatfield Campus. The interview will focus on how well you know the course, your general understanding of the art world, current social issues and motivations for studying this course. As part of the interview process you will be allowed to bring a portfolio to showcase your abilities in whatever medium you choose. This should be in the form of photographs of your original artworks in a Flip file with a cover page stating your name.
