Supervisor motivation for financial support: Research Project

Dear Supervisor

One of your students applied to RESCOM for research funding. To consider the application, the Supervisor needs to support it. Please complete the following:

1. Are you satisfied with the research protocol submitted for funding?
 Yes No
2. Do you have any other source of research funds to support the project?
 Yes No
3. What is the **minimum** amount needed to successfully complete the research?
R
4. Is the project suitable for **publication** in a subsidized peer-reviewed journal?
 Yes No
5. Do you **support** this application?
 Yes No
6. Briefly motivate your decision

7. Declaration

7.1 Should a research grant be awarded to you, it will be on a cost recovery basis only. Funds will be paid into your student account upon the submission of receipts, submitted to the SHSPH Operational Manager.

7.2 Should this funding be approved, it is acknowledged and accepted that the only possible output to meet the requirements of PHR 870 is a **journal article** and NOT a research report. This paper must be written according to the identified journal's format and guidelines. On submission of this paper for marking, an electronic version must be submitted to RESCOM.
