1 August 2013

HR Tuks has recently started making some profound changes. In recent times HR Tuks has been silently operating but this year will become a loud and proud academic student society.

We are the HR society of the University of Pretoria and we will be sending a monthly newsletter containing all relevant information regarding our recent and upcoming events. The newsletter will also provide you, our members, with additional HR knowledge.

We are here for you.

Please provide feedback on our newsletter and any suggestions will be appreciated. Contact information will be provided on the last page of the newsletter.

THE HR TUKS YEAR-END FUNCTION

Ok, so it's been a really interesting year so far. And, by interesting, I mean very, very long. And we are ONLY HALF WAY THROUGH IT???!! We only just came back from vacation, and already some of us have been bombarded with homework and assignments. It just does not feel like we have been welcomed back, like we were missed.

And that is why **HR Tuks** is happy to present to you all its annual year-end function. As students, we work very hard to achieve our goals, and it would be quite nice to just take a day to unwind and enjoy ourselves. That is one of the main reasons behind the **31st of August** event.

The event is still under construction, but promises to be quite memorable. And, that is what we need, as Tuks students: a day we can look back on, where memories were made, bonds were formed, and laughs were had. Further details of this function will be communicated to you timeously.

So, please, clear that schedule of yours, do yourself a favour, and come dine with us on the 31st of August, 2013! So you'd better make it, otherwise remember: we have your addresses, **we know where you live!!!** :P

SAB World of Beer Tour

HR Tuks is going to the SAB World of Beer on the 16th of August. SAB provides each student with a comprehensive tour of its premises, explaining the art of making beer, the ingredients, and the various processes involved in creating the golden delicious beer that we appreciate today.

The fee is only R70, which includes transport to SAB and back to university, petrol money, the actual SAB tour, a SAB miniature glass and two free drinks.

Seats are limited! We are working on a first come first serve basis.

We hope to see YOU there☺.

NEW EC ELECTIONS

The society's academic year ends this month, in August on the 31st. As you are well aware, this gives ****EVERYONE**** an opportunity to apply for vacant positions.

Each and every student will be given the opportunity to apply for any position of choice.

Application forms are in our offices at all times and they will also be given to you, the students, in your various classes.

For those of you who applied earlier this year for positions, please try again, and do not feel discouraged.

Seize this opportunity.

Upon completion of your term (2013-2014) you will receive a certificate stating your role in the EC as well as a letter of recommendation from the Chairperson of HR Tuks at the time (If you did your job properly).

The elections will be open for a limited amount of time as the NEW EC will have to be given in by the 18th of August, so please get on it as soon as possible.

We can't wait to meet you and interview and welcome you into the University of Pretoria's only Human Resource Management society!

Remember, you can apply for any position, and applications are open to all.

We hope to hear from YOU soon ☺
