

Overall first place for Tuks Baja

Tuks Baja has won the BAJA SAE South African Competition at Gerortek which took place on 19th and 20th October. The competition consisted of safety judging and dynamic tests on Friday and the design judging and endurance race took place on Saturday. The cars were subjected to very harsh punishment and to come out victorious is really a big accomplishment. Congratulations guys!

The team celebrates their achievement.

Tuks Baja obtained the following prizes:

Static judging: 1st place TUKS Car 2, 2nd place TUKS Car 1, 3rd place TUKS Car 83

Performance: 2nd place TUKS Car 2

Feasibility of Mass production: 3rd place TUKS Car 83

1st place overall: TUKS Car 2
