

 **STUDY BURSARIES IN METALLURGICAL ENGINEERING** 

The companies listed below offer study bursaries in metallurgical engineering. The amount of a bursary is normally sufficient to cover the costs of the tuition fees, books, residence and a limited amount of pocket money. It is normally required that after graduation the bursar should work for the sponsor for a number of years equal to the number of years that the bursary was provided. Application forms can be obtained by contacting the companies listed below.
