The Institute for Strategic and Political Affairs is a multi-disciplinary, academic organisation which engages in research in the area of strategic and political studies. The Institute studies strategy in the modern and widest connotations of the concept, with the emphasis on Southern Africa, Africa and the surrounding ocean areas.

The Institute publishes a STRATEGIC REVIEW FOR SOUTHERN AFRICA. Conferences, discussions and seminars on questions of strategic interest are arranged. The Institute also undertakes consultation and contract work.

Die Instituut vir Strategiese en Politieke Aangeleenthede is 'n multi-dissiplinêre, akademiese instelling wat navorsing doen op die gebied van strategiese en politieke studies as oogmerk het. Die Instituut bestudeer die konsep strategie in sy moderne betekenis en wydste gebruik, met die klem op Suider-Afrika, Afrika en die omliggende oseaangebiede.

Die Instituut publiseer 'n STRATEGIESE OORSIG VIR SUIDER-AFRIKA. Konferensies, besprekings en seminare oor aangeleenthede van strategiese belang word gereël, terwyl die Instituut ook konsultasie- en kontrakwerk onderneem.
The Strategic Review for Southern Africa is an accredited journal of the Institute for Strategic and Political Affairs (ISPA) in the Department of Political Sciences at the University of Pretoria. It is included in the International Bibliography of the Social Sciences (IBSS) list.

All submissions are peer-reviewed by at least two members of the journal’s editorial group all of whom are from the University of Pretoria, and external reviewers. Opinions expressed in contributions are those of the individual authors.

Since its establishment in 1978, the Strategic Review has witnessed major social and political changes in Southern Africa, the wider African continent and the rest of the world. The Strategic Review engages in strategic and political analysis of socio-political developments that impact on or provide lessons for Southern Africa. As a multi-disciplinary platform, it facilitates vigorous and enlightened debate among scholars, policy makers, practitioners, students and activists, in order to contribute to the wider global discourse on the strengthening of democracy, human rights, security, good governance and the rule of law.

In addition to thorough scholarly analyses, the Strategic Review offers topical reports and assessments, debates, briefings and reviews to reach as wide a readership as possible, thereby promoting plural and open-minded interaction between various stakeholders. The journal is published in May/June and November/December. In addition, one guest edited special issue per year could complement the regular issues of the periodical. Issues are available in print and in future also open access.
