

Herewith proudly introducing the  
**African Union Student Alliance**

to the society repertoire at the University of Pretoria.

This student initiative aims to raise awareness about the African Union and ignite discussion on the present challenges and opportunities on the continent. The efforts of our Social and Political Affairs and Peace and Security Officers will be to challenge perceptions about Africa and create a platform for its issues to be addressed while asking what we as young, educated individuals can do to make a tangible difference.

You would honour us with your presence at our launch on  
**12 March 2013**  
from 16h30 - 18h00  
in Graduate Centre 1-64  
University of Pretoria,  
Hatfield (Main) Campus, Lynnwood Rd, Pretoria

RSVP: 6 March 2013 ([ausa.tuks@gmail.com](mailto:ausa.tuks@gmail.com))

We look forward to the pleasure of your company!
