# Auditory Neuropathy Spectrum Disorder Workshop

## INTERNATIONAL SPEAKERS:

**Deborah Hayes** ~ audiologist; Co-Chair of the *Bill Daniels Center for Children's Hearing, BDCCH*; in addition to chairing a department of more than 100 audiologists, speech-language pathologists, and other professionals (clinical social worker, deaf educator, family consultant), Deborah plans and directs clinical and scientific programs in the US and internationally.

**Sue Dreith** ~ clinical audiologist; manager of Audiology Services at the *BDCCH*; Sue manages clinical audiology services at six locations throughout the metropolitan (Denver) area and supervises the work of 13 audiologists. She also provides clinical audiology services for many children with ANSD.

**Marcia Taber** ~ speech-language pathologist; manager of Deaf/Hard-of-Hearing Services at *BDCCH*; in addition to managing a clinical service of six speech-language pathologists and deaf educators, Marcia provides direct intervention for many children who are deaf or hard-of-hearing.

**Stephanie Olson** ~ family consultant at *BDCCH*; consultant to families of newly identified infants and young children; Stephanie provides a wealth of support and information based on her personal experience with deafness, hearing aids, and cochlear implants.
