The Department of Philosophy cordially invites you to a colloquium

Presented by

Dr Veronica Vasterling

Visiting scholar from the Radboud University Nijmegen, The Netherlands

Plurality: Arendt, Habermas and Gadamer

In her presentation Dr Vasterling will contrast Arendt's notion of plurality with Habermas' and Gadamer's notion of plurality. These three philosophers share a hermeneutic-phenomenological approach to plurality but unlike Arendt, Habermas and Gadamer sub-ordinate plurality to unity.
