

## Dr Langa Simela (Theme A)

Dr Langelihle Simela is an industry leader, academic and researcher in the fields of animal nutrition, food science and livestock management. With a PhD in Animal Science and Masters in Veterinary Tropical Diseases she manages the research efforts relating to Theme A – Production in a Resource-constrained environment.

She is the Chief Executive Officer of the National Emergent Red Meat Producers' Organisation (NERPO). Dr Simela was a Senior Livestock Sector Development Specialist for a World Bank contract to perform a livestock sector analysis and develop an investment framework in Zimbabwe.

She serves as Director of the International Meat Quality Assurance Services (IMQAS), on the Advisory Board of the UP Faculty of Veterinary Science and as Country Representative of the International Goat Association. Dr Simela has published widely in academic journals and publications and serves on the editorial board of Small Ruminant Research (Elsevier) and the Bulletin for Animal Health and Production in Africa (BAHPA).
